Club Allocation Budget (CAB) Policy

Last Updated: 06/14/23

Board Agenda ID: BD 34-23

Scope: CSUSB Chartered Clubs & Organizations, ASI Vice President of Finance, ASI

Finance Committee

Purpose: The mission of the Club Allocation Budget (CAB) is to provide a level of

financial support to student clubs and organizations for on-campus events and activities. The guiding philosophy of this policy is that student clubs and organizations actively engage in raising the funds necessary to support the program or activity they wish to put on, and that Associated Students, Incorporated (ASI) may serve as a resource in augmenting the balance of the funds necessary to assist the clubs and organizations to achieve their goal(s).

It is important for clubs and organizations to note that applying for CAB funds is a privilege and not a right, and that funds will be considered for distribution based on the merit of their proposed activity or event, on a first-come-first-served basis and be scrutinized in a fair application process.

ASI supports student advocacy and is prohibited from creating any policy or practice that suppresses the freedom of speech so long as the aforementioned speech is enacted in accordance with local, state, and federal laws.

1. CAB Operating Procedures

The basic premise for which funds will be allocated is to promote on-campus programming and is based on the general contribution of a program to on-campus CSUSB students. Student funds will not be used to support off-campus programs, activities, events, faculty, or staff expenditures. The only exception for off-campus programs will be conference/tournamentregistration fees for students.

- a. Organizations must be chartered with the Office of Student Leadership and Engagement (OSLE) and be in good standing with the University as determined by the Office of Student Leadership and Engagement and certified on the application form in order to be eligible to submit a Funding Request Form (FRF)
- b. Organizations requesting funds through CAB must be debt free with the University.
- c. The ASI Vice President of Finance will be the chief auditing officer of all Funding Request Forms submitted for funding and will be empowered to approve or deny all requests in accordance with this policy. The ASI Vice President of Finance is required to make decisions based solely on this policy and is prohibited from making decisions to accept or deny funding requests based on personal beliefs. If an FRF is denied, the decision of the Vice President is not final, and clubs or organizations may appeal a decision to the ASI Finance Committee. The decision of the Finance Committee may be appealed to the ASI Board of Directors at a regularly scheduled meeting that will require a 2/3 vote to overturn a decision previously made. ASI is

- committed to distributing funds in a way that is viewpoint neutral. The withholding of funds based on a difference in political beliefs is strictly prohibited.
- d. Clubs or organizations that are requesting funds must be able to pay 100% of the costs upfront. Upon correct completion of required paperwork, clubs and orgs may get reimbursed a maximum of 75% of the total cost. Clubs and organizations that have been chartered with the Office of Student Leadership and Engagement for less than one (1) academic year are eligible to receive a 100% reimbursement upon correct completion of required paperwork. It will be left to the Vice President of Finance to determine the percentage of funding support that is adequate to meet the provisions of this policy.

e.

- f. FRF's that are approved. Once the student/group/organization has received approval of funding from the Vice President of Finance, issuance of checks and purchase orders will take approximately three (3) calendar weeks from the day that all necessary paperwork is completed and turned in correctly.
- g. Funding Request Forms that are denied by the Vice President of Finance may be appealed for funding consideration to the ASI Finance Committee (see section X). FRF's that are denied will include a description detailing the reason for denial and the appeal process for club or organization consideration.
- h. The ASI Vice President of Finance will estimate the overall CAB budget at the beginning of each fiscal year at approximately 50% for the fall and spring semester to be used as a target for each semester. The ASI Vice President of Finance will report the CAB balance to the Board of Directors on the last regularly scheduled meeting of each month.
- i. ASI retains the right to evaluate how organizations use funds for programs in a manner that coincides with the requirements in this policy and through a neutral viewpoint. Any organization, or the representative of that organization, which violates these policies or procedures may be subjected to penalties up to and including a moratorium on any request through CAB for a period of not more than one year. Suspension penalties can be contested to the ASI Board of Directors. Decisions made by the ASI Board of Directors will be considered final.
- j. At least one student representative of each organization receiving funds through CAB is required to attend a mandatory workshop each academic year explaining CAB procedures. Only individuals who completed a CAB workshop can submit funding requests, appeals, and communications to the ASI Vice President of Finance, Finance committee, or Board of Directors. The individual attending a CAB workshop cannot be an advisor and must be a student. Organizations submitting CAB FRF must read this policy completely prior to filing an FRF.
- k. Members serving within ASI in any capacity may not present a proposal for funds or speak on behalf of their organization's proposal.
- 1. There might be some cases where students will need special accommodation at an event. The ASI Vice President of Finance will be responsible for setting aside money for reasonable oncampus accommodation for disabled students. ASI will pay the Office of Services for Students with Disabilities (SSD) for services rendered to those students in need upon presentation of an invoice from the SSD office. The ASI funds used to pay SSD will not count against the cap per semester/year for events. It will be up to the club to make the arrangements for accommodation with the SSD office. Clubs will not contract with off-campus agencies/persons to provide

accommodation that have not been approved by the SSD office in writing to the ASI Vice President of Finance. These funds are solely for CAB approved events held on campus.

- m. All CAB supported events/activities must be open and publicized to all CSUSB students (with the exception of conference/tournament registration fees).
 - i. Funds must be encumbered or spent for the submitted event and will be deducted from the monetary cap of the fiscal year in which the event took place. Any unspent funds will revert to the CAB account. It is the club or organization's responsibility to secure and turn in all receipts, invoices, and relevant paperwork in a timely manner. No invoice submitted outside the fiscal year in which the funds were approved will be paid.
 - The Vice President of Finance may grant an exception to a deadline should the club or organization be able to demonstrate that a vendor failed to present an invoice in a timely manner. Clubs/Organizations need to establish in writing that there has been a good faith attempt to procure the necessary invoices/receipts/paperwork in writing. A signed letter from the vendor or the club's president is an example of the type of required documentation.

n.

o. Funds will be distributed until the annual budget is depleted. The Finance Committee is entrusted with the responsibility for ensuring that CAB funds are allocated in a fair and unbiased manner in accordance with this policy.

2. Funding Request Process

In order to request CAB funds, clubs and organizations must submit a Funding Request Form (FRF) with supporting documentation. This request form will be reviewed by the ASI Vice President of Finance. The Funding Request Form (FRF) and supplemental documents are available on the ASI website or by contacting the ASI Vice President of Finance.

Clubs and organizations must be chartered with the Office of Student Leadership & Engagement at the time of request. Clubs and orgs that are applying for funding must submit a complete, accurate, and detailed application for the event or activity to show precisely where ASI funds will be spent. Forms must be typed and filled out completely. Any student organization that knowingly misrepresents information on their FRF will have their CAB application and or funding privileges suspended for a period of one year.

- a. FRF's may only be submitted if a club or organization has attended a mandatory CAB workshop hosted by ASI and becomes knowledgeable of this policy.
- b. FRFs that **do not** require a live artist or service provider must be submitted at least two (2) calendar weeks prior to an event. An exception to this rule is if the event will be occurring within the first three (3) weeks of the school year. FRFs must be accompanied by the following:

The president or the person listed in the OSLE office as the club official financially responsible for the club, and the advisor from the requesting organization must sign the FRF before their requests may be considered. Additionally, contact information for the club President or the person listed in the OSLE office as the club official financially responsible for the club and Advisor is necessary in case the ASI Vice President of Finance needs to contact a representative regarding the FRF. Their signatures will indicate that they have read the funding Policy and Procedures, understand them, and know of no activity in their organization contrary to the Policy and Procedures.
- f. FRF's must be complete and accurate at the time they are submitted to be considered for funding. Requests that are missing the required documentation or are deemed incomplete may not be funded. The Vice President of Finance has the authorization to deny requests that fail to adhere to the requirements set forth in this policy.
- g. All funding sources for a club or organization's proposed event must be disclosed in the application form including but not limited to those requests from other departments and/or organizations and CAB funding requests coming from a co-sponsoring organization.
- h. All after-event forms must be submitted to the ASI Office prior to the last seven (7) weeks of the fiscal year. This provision is necessary so that ASI can meet its accounting year-end closeout obligation with the University.

Commented [HG2]: Ask OSLE if this person is the sam as the treasurer?

Commented [HG3]: Has to be this language. Confirmed with OSLE that all executive positions of a club/org are considered financially responsible for the club/org

Commented [HG4]: wording around what paperworl needs to be submitted before this timeframe

3. Appeals Process

- Clubs or organizations that have been denied funding based on their funding request by the ASI Vice President of Finance may appeal the decision to the ASI Finance Committee.
- b. Appeals for FRFs without a speaker or artist may only be considered no later than one (1) calendar week prior to the scheduled event.
- c. Appeals for FRFs with a speaker or artist may only be considered no later than three (3) calendar weeks prior to the scheduled event.
- d. Only a student representative of the club or organization who is authorized to submit an FRF and submits an appeal request may present on behalf of their club or organization to the ASI Finance Committee. If there is a communication barrier (speech or hearing) which is hindering the student from making themself understood, then a faculty/staff member/advisor may assist the student during the presentation phase.
- e. Appeal Hearing. Once a request for an appeal is submitted, the ASI Vice President of Finance will place the request on the next Finance Committee's meeting agenda for consideration. Finance Committee meeting dates will be scheduled on a regular basis based on the availability of its members. Student representatives will present their appeal and answer questions directed by the Finance Committee to determine whether the Vice President of Finance decision can be overturned. If there is no student representative available when the organization's agenda item is brought to the floor, the agenda item may be moved to the bottom of the agenda at the discretion of the Finance Committee in order to give a student representative time to arrive. Decisions by the Finance Committee may be appealed to the Board of Directors. In the case that the Finance Committee cannot convene, the club or organization can make an appeal to the Board of Directors at one of the regularly scheduled meetings. Club/organization advisors and members at large are welcome to attend the Finance Committee meetings as an audience, however they are not authorized to present the club or organization's appeal request unless authorized to do so.
- f. If the Finance Committee overturns the decision of the Vice President of Finance on the grounds that the policy was adhered to in the best possible manner, then the club or organization will receive funding in accordance with the procedures in this policy.
