

ELIGIBILITY

To establish eligibility to participate in Summer Bridge, students must do the following:

- Submit a California State University Undergraduate Admission Application, an Educational Opportunity Program (EOP) Application, and required documents and supplementary materials.
- Receive a letter of acceptance to the university from CSUSB Admissions and from the EOP.
- Submit a 2018 Summer Bridge application. A link to the application is available on the EOP website. If accepted to EOP, a Summer Bridge application will be automatically mailed to you. Accepted EOP students may apply by completing the online application or apply by mailing in a completed paper application to the EOP address.

If selected to participate in Summer Bridge, students are sent a letter that CONFIRMS their acceptance along with additional details about the program.

HOW TO APPLY TO THE EOP SUMMER BRIDGE

The Summer Bridge Application can be found on the CSUSB EOP website:

Apply Here:

www.csusb.edu/eop/summer-bridge-program

Mail completed application to:

California State University, San Bernardino
Educational Opportunity Program (EOP) UH-395
Attn: Chee Vang, Summer Bridge Coordinator
5500 University Parkway
San Bernardino, CA 92407

Or fax completed application to:

(909) 537-7084, Attn: Chee Vang

WE DEFINE THE *Future*

PROGRAM DESCRIPTION

The EOP Summer Bridge is an intensive and exciting summer experience for select, new CSUSB EOP freshmen. Students reside on the CSUSB campus for the first few weeks of the program and then commute to campus during the final weeks.

Summer Bridge is designed to assist students with their acclimation to the university environment. The program's goals are to give students a head start toward a successful college experience and the opportunity to begin building community with other students. Strong emphasis is placed on the preparation necessary to successfully meet the rigorous challenges of university life.

Summer Bridge consists of academic classes, counseling services, university orientation, student development workshops, leadership experiences, a cultural field trip, a community service project, and recreational activities. Academic classes are credit-bearing and students will have the opportunity to progress in the first-year math course sequence.

Students will be engaged full-time in classes and program activities Monday through Thursday for the duration of the program. Students are provided with required course materials, academic supplies, and select meals. All selected students must have **reliable** transportation to and from campus. **Daily attendance is mandatory.**

If a student is required to participate in the CSUSB Early Start or Coyote First STEP, please register accordingly. Participating in Summer Bridge will meet a student's Early Start or Coyote First STEP requirement. If accepted to the EOP Summer Bridge program, the EOP office can assist in canceling your Early Start or Coyote First STOP registration.

PROGRAM INFO

CAPACITY: A maximum of 50 students will be admitted. Applications will be processed on a first-come, first-serve basis.

COST: The EOP Summer Bridge Program is FREE for students, with the exception of parking and any personal items students choose to bring during the residential component. Academic supplies and meals will be provided at no cost.

DEADLINE: Due to the significant number of applications received, we encourage you to apply early. Summer Bridge applications received after June 4 will not be given priority consideration. The submission of an application will only establish eligibility; it does not guarantee acceptance to the Summer Bridge Program. If accepted, you will be notified by the EOP office.
