#### I'm a new applicant for Admissions. Why haven't I received MyCoyote self-service account User ID and password yet?

It can may take several two weeks following receipt of your application for Admissions to send you your User ID and password. This will be sent by e-mail or postal mail, depending upon the contact information provided. If you still have not received your login information after three weeks of submitting your application, we strongly recommend that you call or e-mail Admissions to confirm your contact information.

I'm a new applicant for Admissions. Why doesn't my login information work when I try to log into CSU Mentor?

CSU Mentor is a site that handles applications for all CSU campuses and is not maintained by CSUSB. It has its own login information -- usually this consists of your e-mail address and a random assigned number. If you need help logging into CSU Mentor, please contact their support staff at E-mail: <a href="mailto:support@CSUMentor.edu">support@CSUMentor.edu</a> or U.S. Toll-Free Hotline: 1-800-GO-TO-XAP or <a href="mailto:CSU Mentor">CSU Mentor</a> and select technical support.

If you are a **student or applicant** and forgot your MyCoyote Password and need to reset it, please visit the <u>IDMS Forgot Password</u> reset page. If you have locked yourself out of the password reset site, please submit your request to <u>Technology Support Center</u>.

4. Why, after I log in, do none of the links I click on do anything?

This problem can be caused by a number of things. First, it may take about a minute for the links to work the first time. If after a minute, you still see no results, you may be using an incompatible web browser. Check our <a href="System & Browser Requirements">System & Browser Requirements</a> page. If you are using a compatible browser, you may need to clear out your cache and cookies and restart. For instructions, please check our <a href="Cache & Cookies">Cache & Cookies</a> page.

5. Why do I get a message that says I am not authorized to view this page?

If you are receiving the "Not Authorized" message after logging into the portal, simply close your current browser window and then bring up a new browser window to log back in. That should correct the problem. If the problem persists, please empty your cache (delete your temporary Internet files) and restart. For instructions, please check our <a href="Cache & Cookies">Cache & Cookies</a> page.

I can log in, but as soon as I click on anything, I get logged out and it tells me to log in again.

If you're getting automatically logged out after clicking on a link, your account may be locked. Please submit your request to <u>Technology Support Center</u> and we can check this for you.

7. Why am I getting a message that my Portal session has expired?

This problem can occur if your computer's date and time are set incorrectly. Please check your system to make sure it is set to the correct date, time, and time zone. Also, if your computer has a checkbox to automatically update for daylight savings time, this should be checked. If the time, date, and time zone are correct, you may need to clear out your cache and cookies and restart. For instructions, please check our help pages.

Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

## SPRING 2018 FINAL EXAMINATION SCHEDULE JUNE 13 - 16, 2018

A final examination has been scheduled for each class. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may <u>not</u> be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of June 13 - 16, 2018.

# CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences (909) 537-5512, SB-445 http://ethnic.csusb.edu/

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/ Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

INTERDISCIPLINARY PROGRAMS & SERVICE LEARNING

Spring 2018

## CHICANO(A)/LATINO(A) STUDIES

Liberal Studies: General Track with a concentration in Chicano(a) Studies

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

## **GENDER AND SEXUALITY STUDIES**

College of Social and Behavioral Sciences (909) 537-5255, SB-209M <a href="http://gendersexuality.csusb.edu/">http://gendersexuality.csusb.edu/</a>

Coordinator: Dr. Todd Jennings

ΔNTH-333

CSUSB offers both a minor and certificate program in Gender and Sexuality Studies. The aim of both programs is to prepare students, through the study of gender and sexuality, with insights, knowledge, and interpretive frameworks that will equip them personally, intellectually, and professionally. The programs allow students to examine how gender and sexuality as social constructs shape individual lives, groups, institutions, and social structures. Students will have the opportunity to examine individual development, couples, families, small groups, and organizations as well as the media, arts, and economic and political systems. A description of the program is available on the program website at <a href="http://gendersexuality.csusb.edu/">http://gendersexuality.csusb.edu/</a> and in the annual Bulletin of Courses. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at tjennin@csusb.edu.

## **LATIN AMERICAN STUDIES**

College of Arts and Letters 909) 537-7386, UH 201.43 http://latinamstudies.csusb.edu/

Coordinator: Dr. Carmen Jany

The Latin American Studies minor program provides students with the opportunity to explore a wide range of subjects relating to the Western Hemisphere through an interdisciplinary curriculum that draws from the Colleges of Arts and Letters, Business and Public Administration, Education, Social and Behavioral Sciences, and Natural Sciences. The focus of the program adds an international perspective to any major. It offers physical and virtual resources to students and faculty interested in this area of the world. The Latin American Studies minor program can make a student more marketable as s/he gains more knowledge in areas of concern for today's global community. For further information, contact Dr. Carmen Jany, Latin American Studies Coordinator, UH-201.43, at (909) 537-7386. Ask about CSUSB's International Programs in Latin America.

# **SERVICE LEARNING**

(909) 537-7483, FO-230 <a href="http://engage.csusb.edu">http://engage.csusb.edu</a>

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as a part of their requirements for academic credit, while faculty help them understand the connection between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands-on use of skills and knowledge from a course
- interaction with people of diverse cultures and lifestyles
- leadership development opportunities
- gaining valuable career experience

  including students with non-resident tuition and receive a full refund of mandatory fees, excluding non-refundable
  fees.
- April 20, 2018 is the deadline to reduce units from full time to part time and receive a 100% difference in tuition fees including students with non-resident tuition. A reduction in units from full time to part time after April 20, 2018, does not create a credit or refund.

   Registration and Evaluations section of the Class Schedule.

For state-supported semesters, quarters and non-standard terms of course of less than four (4) weeks, no refunds or mandatory fees and nonresident tuition is made unless a student cancels registration, reduces units or withdraws from all classes prior to the first day in accordance with the University's established procedures and deadlines. It is each student's responsibility to formally withdraw from classes and meet the conditions described above to receive a refund.

Please be sure to update your current mailing address on *MyCoyote*.

Refunds are typically processed within 10 business days.

Registration fees paid by check or credit card are not considered valid until the bank has cleared the payment. Refunds for payments made by check require a copy of the student's cancelled check; otherwise, it may take up to five weeks before Accounting receives confirmation from the State that the student's check cleared.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services (UH-35) or by phone at 909-537-5161.

## Students will also receive a refund of mandatory fees, including non-resident tuition under the following circumstances:

- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
- The University makes a delayed decision that the student was not eligible to enroll in the term for which mandatory
  fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information
  provided by the student; or
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances.

#### Fees and Debts Owed to the Institution

Should a student or former student fail to pay a fee of a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. If a person believes he or she does not owe all or part of an asserted unpaid obligation that person should contact the Director of Accounting. The Director of Accounting will review all pertinent information, provided by the person and other campus offices and advise the person of its conclusions.

In addition the failure to pay the amount due may result in a referral of the debt to an outside collection agency and/ or credit reporting agency; offset against amounts due from the State of California; and/or legal action. The student is responsible to pay all attorney fees and court costs.

#### **SPRING 2018**

Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

#### ENROLLMENT REQUIREMENTS FOR AUTOMATIC DISBURSEMENT

Your initial financial aid offer is an estimate and is based on full-time enrollment. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid holds, file must be complete, etc.) and your actual number of enrolled units:

- You may view your file status online at <a href="https://mycoyote.cms.csusb.edu/">https://mycoyote.cms.csusb.edu/</a> > Self Service>Student Center> and then below "Finances" click on "View Financial Aid," then click on appropriate aid year.
- If you are enrolled full-time, your financial aid will automatically "authorize" and "disburse" to your account, e.g. 12 units undergraduate and Credential/2nd BA students and 8 units for graduate students.

#### DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT

If you plan to be enrolled less than full-time for the 2018 Spring Quarter, some aid types may be prorated to reflect a reduced unit load. Final financial aid adjustments are determined after quarterly census:

## Thinking about Dropping ALL of your Classes? Did you receive Federal and/or State Financial Aid? Perhaps you should do some research on R2T4!!!

Federal Financial Regulations are very strict concerning dropping out of all of your classes after receiving Federal and State Financial Aid (Pell, SEOG, Cal Grants, State University Grant (SUG), EOP, Middle Class Scholarship, TEACH and Loans). If you drop all classes on or prior to the 60% mark of the session, you will owe a "Return to Title IV" (R2T4) refund based on the chart of percentages below.

#### When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to receiving Federal Financial Aid, again.

#### What can I do?

Make an appointment to meet with your Financial Aid Advisor. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

#### Show me an example, please!

Let's say ... you received a \$ 1,973 Federal Grant for Spring and drop all your classes on 4/19/2018, you would owe 74.36% (or \$1,467.12) back to your grant.

|                              | ,  |
|------------------------------|--|
| If you Withdraw on this date | You will have to return this % of the Federal Grant you received for this term |
| 3/31/18                      | 98.72 %  |
| 4/16/18                      | 78.21 %  |
| 4/19/18                      | 74.36 %  |
| 4/26/18                      | 65.38 %  |
| 5/4/18                       | 55.13 %  |
| 5/12/18                      | 44.87 %  |
| 5/16/18                      | 00.00 %  |

Remember!! This calculation is separate and distinct from the refund of your fees calculations made by the Accounting Office.

Faculty, staff and peer advisors are available to assist students by providing academic advisement during office hours or by appointment.

If you are wondering how your department handles advising, visit the Advising and Academic Service website (<a href="http://www.csusb.edu/advising">http://www.csusb.edu/advising</a>) and plan to work with your advisor on a quarterly basis. #### **Advising and Academic Services**

(909) 537-5034, UH 380 https://csusb.edu/advising

#### **Grievance Policy Information**

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic Services, UH Room 380, (909) 537-5034, or from <a href="https://www.csusb.edu/advising/policies-procedures/grade-appeals">https://www.csusb.edu/advising/policies-procedures/grade-appeals</a>

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

- 1. Clerical error
- 2. Capricious or prejudicial evaluation
- Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

- 1. Denial of Admission to or Dismissal from a course, major or program.
- 2. Placement on Academic Probation
- 3. Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

#### **Immunization Requirements**

Currently, in accordance with the policy of the California State University, all students born on or after January 1, 1967 must provide proof of immunization against measles and rubella; proof of receiving the MMR vaccination fulfills this requirement. All first time enrollees who are 18 years of age or younger are required to: (1) present proof of immunization against hepatitis B; and (2) provide proof of immunization against measles and rubella; proof of receiving the MMR vaccination fulfills this requirement. However, you may be exempt from both of these requirements if you graduated from a California public school during or after 2005. It is recommended that students residing in oncampus housing should be up to date on their meningococcal vaccination.

If you have any questions regarding your immunization status or if you need any "immunization holds" cleared, please call (909) 537-5241, or bring your immunization records into the Student Health Center.

#### **Undergraduate Studies**

(909) 537-5032, UH 352 http://undergradstudies.csusb.edu/

#### **Administrative Drop**

Faculty members may initiate an administrative drop of a student in their courses based on any one of the following criteria.

<u>Lack of attendance:</u> Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

<u>Prerequisites not met:</u> Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

#### **Attending Classes**

- 1. No student may attend classes until his/her registration has been completed.
- 2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
- A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

#### **Auditing Courses**

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

#### **Course Overload Permits**

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better. Approved Course Overload Permits will be accepted at the Office of Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and HOLDS must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS"

2. Obtain the authorized signature of approval from the College Dean.

<u>Declared</u> undergraduates see the dean of the college of your major for approval.

<u>Undeclared</u> undergraduates see the Dean of Undergraduate Studies for approval.

<u>Classified</u> graduates and post-baccalaureates see their graduate coordinator for approval.

<u>Unclassified</u> graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved,** take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

#### **Credit By Examination**

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

- Student must register for the examination in the office
  of the college or department concerned before the
  first day of classes of the quarter in which the course
  is offered.
- Student must complete the examination within the first two weeks of the quarter. (NOTE: Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
- 3. Credit by examination may only be earned by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current <u>Bulletin of Courses</u> for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.
