Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

College of Arts and Letters (909) 537-5780, UH-201.9 http://asianstudies.csusb.edu

Coordinator: Dr. Rueyling Beatrice Chuang

Asian Studies is an interdisciplinary Minor program housed in the College of Arts and Letters. CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences (909) 537-5512, SB-445 http://ethnic.csusb.edu

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

Chicano(a)/Latino(a) Studies

Liberal Studies: General Track with a concentration in Chicano(a) Studies

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

College of Social and Behavioral Sciences (909) 537-5255, SB-209M http://gendersexuality.csusb.edu/

Coordinator: Dr. Todd Jennings

A description of the program is available on the program website at http://gendersexuality.csusb.edu/ and in the annual Bulletin of Courses. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at tjennin@csusb.edu.

SERVICE LEARNING

(909) 537-7483 http://engage.csusb.edu

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff, and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as part of their requirement for academic credit, while faculty help them understand the connections between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands on use of skills and knowledge from a course
- interactions with people of diverse cultures and lifestyles
- leadership development opportunities
- gaining valuable career experience.

Service Learning Courses

Below is a list of CSUSB courses that include service learning experiences. For further information, please contact the course instructor or Diane Podolske at (909) 537-7483

ADDS REQUIRING PERMITS

Classes Needing Department Approval:

When the registration system informs you that department consent or pre-requisites are required for a class you are trying to register for, please see the department of the class for permission to register for it. Departments will first check that you meet the requirements for the class before placing the permit onto your records. This may include student level, pre-requisites, GPA, or classification.

► Class is open

After department permission has been granted, use the on-line (*MyCoyote*) registration system to add the course by the designated "Last Day to Add Via *MyCoyote*" date for each session (see below). Footnotes for requirements such as "dept permission" are noted for each class, following the section number, in the list of available classes, in the class schedule. Explanation of these footnotes follow.

Session 6W1: June 21, 2018
Session 6W2: August 2, 2018

Pre-payment of any additional tuition fees is required.

► Class is closed (All sessions)

After obtaining department approval, students who have compelling reasons for being admitted to a closed class must also obtain **permission** from the instructor AND department chair of the class <u>once classes begin</u>. To Add: Refer to the information listed below under "Closed Classes".

Summer 2018

Closed Classes

When a class reaches its maximum enrollment it is then considered "closed" to other registrants. The signatures of the instructor and department chair for the course section must be obtained as permission to register over the max enrollment. *Once classes begin, follow these steps*: (1) Complete the ADD/DROP Form; (2) obtain the signatures of the instructor and department chair; and (3) submit the ADD/DROP form to the registration assistant in UH-171 with your student I.D. CLOSED COURSES CANNOT BE ADDED OVER *MYCOYOTE*.

NOTE! It is the student's responsibility to add a class to their class schedule by officially **registering** for that class with an Add Slip containing the appropriate signatures to the Office of the Registrar.

<u>BE ADVISED</u>: Instructors cannot "add" a class to your class schedule by adding your name to the class roster! Official registration for a class must be initiated by the student, by following the procedures listed above.

Last Day to Add by Permission or by Permit (Census):

Session 10W: July 12, 2018
Session 6W1: June 28, 2018
Session 6W2: August 9, 2018

By permission with Add Slips:

Bring approved Add Slips to the Office of the Registrar in UH-171. Add Slips will **not be honored after the Census date for each session**. However, courses requiring "department consent" or "prerequisites not met" will require that you receive a permit from the department of the class prior to being registered for the class.

By department issued permit:

Contact the department of the class for a permit to register. Once the permit has been placed, you will be able to register for the class over *MyCoyote* through Census, (per Session). Registration for a permitted class **will not be allowed over** *MyCoyote* **after Census for each session.**

DROPPING CLASSES

During Priority, Open Enrollment, Late Registration & Late Drop Periods:

No record will be made of enrollment in courses that are dropped by the last day to drop (Census) for each session. To drop a course, use the on-line registration system (*MyCoyote*) by the designated Census date for each of the sessions (see below).

Census Deadlines Per Session

Session 10W: July 12, 2018
Session Six Wk 1: June 28, 2018
Session Six Wk 2: August 9, 2018

Late Drop Period

Session 10W: June 27 - July 12 Session 6W1: June 22 - 28 Session 6W2: August 3 - 9

Classes dropped during these periods will *not* be assigned a grade of "W". However, tuition fees will be retained. To drop from all classes, <u>use the on-line registration system (MyCoyote)</u> by the designated Census date for each of the sessions (see below).

Last Day to Drop Without Permission (Census):

Session 10W: July 12, 2018
Session 6W1: June 28, 2018
Session 6W2: August 9, 2018

Census Deadlines Per Session:

Session 10W: July 12, 2018 Session 6W1: June 28, 2018 Session 6W2: August 9, 2018

Drops will not be possible after the designated Census deadline for each session except for serious and compelling reasons. You will be required to provide documentation in order for the request to be considered. Furthermore, drops after the deadline will require the signatures of the class instructor, department chair and the College Dean of the student's major.

It is the student's responsibility to verify their class schedule prior to the Census deadline as they will receive a grade for every course in which they are shown to be officially registered. *It is also the student's responsibility to withdraw (drop) by the Census deadline from any class(es) which they do not plan to attend and complete. Although an instructor <u>may</u> initiate to drop a student from a class based on the Administrative Drop Policy, students should not <u>assume</u> that the instructor would drop anyone from a class. (Refer to the University bulletin for information regarding the Administrative Drop Policy).

CANCELLATION OF REGISTRATION OR WITHDRAWAL FROM THE UNIVERSITY

CSU POLICY: Beginning Fall quarter 2009, undergraduate students may not exceed 28 quarter units of withdrawals (grade of "W"). Withdrawals completed prior to Fall 2009 are not included in that total. This limit applies only to courses taken at CSUSB, including courses taken through Open University, the College of Extended Learning and special session. The policy will be available at www-ugs.csusb.edu/advising.

Students who find it necessary to cancel their registration or to *withdraw from all classes after enrolling for any academic term are required to follow the University's official withdrawal procedures. Failure to follow formal University procedures may result in an obligation to pay tuition fees as well as the assignment of failing grades in all courses and the need to petition for readmission before being permitted to enroll in another academic term. Information on canceling registration and withdrawal procedures are available from the Office of the Registrar, UH 171 and/or phone 909-537-5200.

Students who receive financial aid funds must consult with the Financial Aid Office prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

WITHDRAWAL FROM THE UNIVERSITY

- If a student drops a class or withdraws from the University by the last day to drop (Census), for the designated session, no record will be made of enrollment in the course(s). (See "Refund of Tuition Fees" to determine eligibility for a refund.)
- A drop or withdrawal will not be permitted after the last day to drop (Census), for the designated session, except in cases involving accident or illness (physical or mental), serious personal or family problems, military transfer, or substantial change in employment during the term. (See "Refund of Tuition Fees" to determine eligibility for a refund.)
- 3. A GRADE OF "W" WILL BE ASSIGNED for approved drops and withdrawals occurring after the Census date for the designated session. If a student drops a class or withdraws from the University by the last day to drop, no record will be made of enrollment in the course(s). (See "Refund of Tuition Fees" pages to determine eligibility for a refund.)
- A GRADE OF "WU" WILL BE ASSIGNED (Withdrawal Unauthorized) if and when a student fails to officially drop from a class or classes. <u>This grade is</u> <u>equivalent to an "F" and will retain fees</u>.

WITHDRAWAL PROCEDURES

By last day to drop, for each session (Census):

Record of enrollment will not be made, nor grade of W will be issued, if a student withdraws from all classes by the Census date for the designated session. You may withdraw from all classes over *MyCoyote* by the Census deadline. Questions regarding this process should be addressed to the Office of the Registrar in UH-171 or by calling 909-537-5200.

Summer 2018

After (Census) (for the designated session):

Report to the office of <u>your major</u>. Undeclared students will need to report to the Office of Advising and Academic Services in UH-380 and unclassified graduate students report to the Office Graduate Studies in CH-123. Supporting documentation is required and must be submitted with the Petition to Drop After Census form. *Picture ID is required*.

Deadline to Withdraw After Census:

Session 10W: August 14, 2018 Session 6W1: July 18, 2018 Session 6W2: August 27, 2018

RETROACTIVE WITHDRAWALS

Requests for withdrawal from a course(s) following the end of the term (retroactive withdrawal) will be considered, with required documentation, only for:

1. ACCIDENT OR ILLNESS

(Physical or mental)
DOCUMENTATION:
Police Report, note from physician

2. SERIOUS PERSONAL or FAMILY PROBLEMS

DOCUMENTATION:

Licensed clergyman or therapist, needs to be a Professional

3. MILITARY TRANSFER

DOCUMENTATION:

Transfer papers, or military orders

Note: Rental agreements or change of address are not sufficient for documentation of retroactive withdrawal. Transfer out of the area still requires students to drop courses before the refund deadline date designated for each session. Documentation is required. In addition, extenuating circumstances **MUST** be shown to have prevented withdrawal before the refund deadline date. Partial retroactive withdrawal from courses is not permissible for any reason. All courses must be withdrawn and will be noted with a "W" on the official transcript. **Lack of awareness of the withdrawal procedure is not an extenuating circumstance**. Requests must be made in writing to the Director of Advising and Academic Services, UH-380.

CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or Student Accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

PLEASE CHECK YOUR MYCOYOTE AND CAMPUS EMAIL REGULARLY FOR FEES POSTED TO YOUR ACCOUNT AND IMPORTANT COMMUNICATIONS FROM THE UNIVERSITY.

Updated fee information is located on the CSUSB Student Financial Services website: <u>http://sfs.csusb.edu/</u>

Pre-payment begins and is required for registration beginning June 15, 2018. The \$25.00 Late Registration Fee is also a pre-payment requirement during this period. The late registration fee is assessed based on the date of registration, not when payment is received.

Electronic check payments can be made through the *MyCoyote* Self Service Portal "Make Payments" with no fee to the user.

Credit card payments are accepted only on-line via the *MyCoyote* Self Service Portal, "Make Payments". Students are assessed a service charge for the convenience of using credit cards for payment.

Payments by Mail

Payment must be received by Student Financial Services by the designated payment deadline to prevent an administrative drop of courses. Postmarks will be disregarded. The University is not responsible for cash payments sent by mail or submitted at drop boxes.

Registration fees paid by check or credit card are not considered valid until the bank clears the payment. Checks and credit cards not cleared by the bank, including "stop payment" checks may cancel your registration.

Student Fee Deadline for Credit/Refund Including Non-Resident Tuition

Regulations governing the refund of mandatory fees, including nonresident tuition, for students enrolling at the California State University are included in 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refunds of fees and tuition charges for self-support programs at the California State University (courses offered through the College of Extended Learning) are governed by a separate policy established by the University.

To cancel, drop or withdraw from all classes prior to the first day of classes including students with non-resident tuition and receive a full refund of mandatory fees, excluding non-refundable fees:

- June 19, 2018 is the deadline for Sessions 10W and 6W1
- July 31, 2018 is the deadline for Session 6W2

To reduce units from full time to part time and receive a 100% difference in tuition fees including students with non-resident tuition. A reduction in units from full to part time after the deadline does not create a credit or refund.

- June 28, 2018 is the deadline for Session 6W1
- July 12, 2018 is the deadline for Session 10W
- August 9, 2018 is the deadline for Session 6W2

<u>Procedure and deadline information for canceling registration and dropping classes is available in the Registration Section.</u>

NOTE: Application, Late Registration, ID, IPP and Administrative Fees are non-refundable.

For state-supported semesters, quarters and non-standard terms of course of four (4) weeks or more, a student who withdraws during the term in accordance with the University's established procedures will receive a refund of mandatory fees, including non-resident tuition, based on the portion of the term during which the student was enrolled. **No student withdrawing after the 60 percent point in the term is entitled to a refund of any mandatory fees or non-resident tuition.**

For state-supported semesters, quarters and non-standard terms of course of less than four (4) weeks, no refunds or mandatory fees and nonresident tuition is made unless a student cancels registration, reduces units or withdraws from all classes prior to the first day in accordance with the University's established procedures and deadlines. It is each student's responsibility to formally withdraw from classes and meet the conditions described above to receive a refund.

Please be sure to update your current mailing address on MyCoyote.

Refunds are typically processed within 10 business days.

REGISTRATION PAYMENT PROCEDURES

Summer 2018

66

Registration fees paid by check or credit card are not considered valid until the bank has cleared the payment. Refunds for payments made by check require a copy of the student's cancelled check; otherwise, it may take up to five weeks before Accounting receives confirmation from the State that the student's check cleared.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services (UH-35) or by phone at 909-537-5161.

Students will also receive a refund of mandatory fees, including non-resident tuition under the following circumstances:

- The tuition and mandatory fees were assessed or collected in error;
- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
- The University makes a delayed decision that the student was not eligible to enroll in the term for which
 mandatory fees were assessed and collected and the delayed decision was not due to incomplete or
 inaccurate information provided by the student; or
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances.

Information concerning the refund policies of California State University, San Bernardino for the return of unearned tuition and fees or other refundable portions of institutional charges is available from the Office of Accounting, 5500 University Parkway, San Bernardino, CA 92407, 909-537-5153 and online at: http://sfs.csusb.edu/refundsAndDropDeadlines/index.html

Basic Registration Fee and Non-Resident Tuition Refunds

Review the Refund Schedule to determine eligible dates. All refunds subject to the \$25.00 refund processing fee. Any outstanding fees or charges are usually deducted before the refund is issued.

A refund may be requested for the basic registration fees and tuition (if student is not a financial aid recipient) and registration of all classes is cancelled, dropped or withdrawn or the number of units reduced to part time (six or less) by the deadline according to the Refund Schedule.

Financial Aid recipients, some or all of the credit may be returned to financial aid accounts and not directly to the student.

Cash or ATM refund is issued in the form of a check or direct deposit.

Check refund is issued in the form of a check or direct deposit once bank confirmation that the check has cleared and has been received by the University.

Credit card refund may be issued as a credit to the original credit card used for payment. For more information on refunds, contact Student Financial Services (UH-35) at (909) 537-5161.

Fees and Debts Owed to the Institution

Should a student or former student fail to pay a fee of a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. If a person believes he or she does not owe all or part of an asserted unpaid obligation that person should contact the Director of Accounting. The Director of Accounting will review all pertinent information, provided by the person and other campus offices and advise the person of its conclusions.

In addition the failure to pay the amount due may result in a referral of the debt to an outside collection agency and/ or credit reporting agency; offset against amounts due from the State of California; and/or legal action. The student is responsible to pay all attorney fees and court costs. Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

<u>NOTE</u>: Summer 2018 financial aid disbursements will not occur until after review of 2017-2018 Satisfactory Academic Progress (SAP). For further details, contact the Financial Aid Office at 909-537-5227 or read about SAP at

http://finaid.csusb.edu/applyAid/satisfactoryAcademicProgress.html

ENROLLMENT REQUIREMENTS FOR AUTOMATIC DISBURSEMENT

Your initial financial aid offer is an estimate and is based on full-time enrollment. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid holds, file must be complete, etc.) and your actual number of enrolled units:

- You may view your file status online at https://mycoyote.cms.csusb.edu/ > Self Service>Student Center> Below "Finances" click on "View Financial Aid," then click on appropriate aid year.
- If you are enrolled full-time, your financial aid will automatically "authorize" and "disburse" to your account, e.g. 12 units undergraduate and Credential/2nd BA students and 8 units for graduate students.

DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT

If you plan to be enrolled less than full-time for the 2018 Summer term, but subsequently increase your units of enrollment, then your disbursement will be delayed until <u>after</u> quarterly **Census** dates:

- Census Regular Session date is July 12, 2018
- Census 6 Week 1 (6W1) date is June 28, 2018
- Census 6 Week 2 (6W2) date is August 9, 2018

*Financial aid funds may be prorated for students who are enrolled for less than full-time

Important Information Regarding Your Financial Aid Summer 2018

Federal regulations mandate that institutions review and, when necessary, adjust financial aid according to unit enrollment by the Census Date. The Census dates for the Summer Quarter are as follows:

Session Regular July 12, 2018

Session Six Wk 1 June 28, 2018

Session Six Wk 2 August 9, 2018

WARNING: Adjustments made to your financial aid based on unit reduction may create a balance on your Student Account. All charges on a student's account must be paid in full each quarter. Plan your courses accordingly.

Thinking about Dropping ALL of your Classes? Did you receive Federal Financial Aid?

Perhaps you should do some research on R2T4!!!

Federal Financial Regulations are very strict concerning dropping out of all of your classes after receiving Financial Aid grants (Pell, SEOG, Teach, Fee Waivers, Cal Grants, Dream Grant, Middle Class Scholarship, and Federal Loans). If you drop all classes prior to the first day of the session, you will owe 100% of all aid disbursed to you. If you drop all classes prior to the 60% mark of the session, you will owe a "Return to Title IV" (R2T4) refund based on the chart of percentages to the right.

When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. <u>You cannot repay these funds with future financial aid</u>. You must repay the amount due prior to ever receiving Federal Financial Aid, again.

What can I do?

Make an appointment to meet with your Financial Aid Advisor. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

Show me an example, please!

Let's say ... you received a \$1,974 Federal Grant for Regular Session and drop all your classes on July 27, 2018, you would owe 51.28% (or \$1,012.27) back to your grant.

Advising and Academic Services (909) 537-5034, UH 380 http://csusb.edu/advising

Grievance Policy Information

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic Services, UH Room 380, (909) 537-5034, or from https://www. csusb.edu/advising/policies-procedures/grade-appeals/.

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

- Clerical error
- Capricious or prejudicial evaluation
- Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

- Denial of Admission to or Dismissal from a course. major or program.
- Placement on Academic Probation
- Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

Undergraduate Studies (909) 537-5032, UH 352 http://undergradstudies.csusb.edu/

Administrative Drop

Faculty members **may** initiate an administrative drop of a student in their courses based on any one of the following criteria.

<u>Lack of attendance</u>: Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

<u>Prerequisites not met</u>: Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

Attending Classes

- 1. No student may attend classes until his/her registration has been completed.
- Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
- A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better. Approved Course Overload Permits will be accepted at the Office of the Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and HOLDS must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

 Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2). Closed courses without an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS".

2. Obtain the authorized signature of approval from the College Dean.

<u>Declared</u> undergraduates see the dean of the college of your major for approval.

<u>Undeclared</u> undergraduates see the Dean of Undergraduate Studies for approval.

<u>Classified</u> graduates and post-baccalaureates see their graduate coordinator for approval.

<u>Unclassified</u> graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

 Once approved, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

- Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.
- Student must complete the examination within the first two weeks of the quarter. (NOTE: Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
- Credit by examination may only be taken by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current <u>Bulletin of Courses</u> for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.
