The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences
(909) 537-5512, SB-445
<http://ethnic.csusb.edu>

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

Chicano(a)/Latino(a) Studies**Liberal Studies: General Track with a concentration in Chicano(a) Studies**

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

<http://gendersexuality.csusb.edu/>

Coordinator: Dr. Todd Jennings

SERVICE LEARNING(909) 537-7483
<http://engage.csusb.edu>

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff, and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as part of their requirement for academic credit, while faculty help them understand the connections between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands on use of skills and knowledge from a course
- interactions with people of diverse cultures and life-styles
- leadership development opportunities
- gaining valuable career experience.

Service Learning Courses

Below is a list of CSUSB courses that include service learning experiences. For further information, please contact the course instructor or Diane Podolske at (909) 537-7483

► Class is open

After department permission has been granted, use the on-line (*MyCoyote*) registration system to add the course by the designated “Last Day to Add Via *MyCoyote*” date for each session (see below). Footnotes for requirements such as “dept permission” are noted for each class, following the section number, in the list of available classes, in the class schedule. Explanation of these footnotes follow.

After obtaining department approval, students who have compelling reasons for being admitted to a closed class must also obtain **permission** from the instructor AND department chair of the class once classes begin. To Add: Refer to the information listed below under “Closed Classes”.

Closed Classes

When a class reaches its maximum enrollment it is then considered “closed” to other registrants. The signatures of the instructor and department chair for the course section must be obtained as permission to register over the max enrollment. Once classes begin, follow these steps: (1) Complete the ADD/DROP Form; (2) obtain the signatures of the instructor and department chair; and (3) submit the ADD/DROP form to the registration assistant in UH-171 with your student I.D. **CLOSED COURSES CANNOT BE ADDED OVER MYCOYOTE.**

NOTE! It is the student’s responsibility to add a class to their class schedule by officially **registering** for that class with an Add Slip containing the appropriate signatures to the Office of the Registrar.

BE ADVISED: Instructors cannot “add” a class to your class schedule by adding your name to the class roster! Official registration for a class must be initiated by the student, by following the procedures listed above.

Last Day to Add by Permission or by Permit (Census):

Session **6W1: June 27, 2019**

Session **10W: July 10, 2019**

Add Slips will **not be honored after the Census date for each session.** However, courses requiring “department consent” or “prerequisites not met” will require that you receive a permit from the department of the class prior to being registered for the class.

By department issued permit:

Contact the department of the class for a permit to register. Once the permit has been placed, you will be able to register for the class over *MyCoyote* through Census, (per Session). Registration for a permitted class **will not be allowed over *MyCoyote* after Census for each session.**

You will be required to provide documentation in order for the request to be considered. Furthermore, drops after the deadline will require the signatures of the class instructor, department chair and the College Dean of the student’s major.

REGISTRATION

It is the student's responsibility to verify their class schedule prior to the Census deadline as they will receive a grade for every course in which they are shown to be officially registered. ***It is also the student's responsibility to withdraw (drop) by the Census deadline from any class(es) which they do not plan to attend and complete.** Although an instructor *may* initiate to drop a student from a class based on the Administrative Drop Policy, students should not assume that the instructor would drop anyone from a class. (Refer to the University bulletin for information regarding the Administrative Drop Policy).

**CANCELLATION OF REGISTRATION OR
WITHDRAWAL FROM THE UNIVERSITY**

CSU POLICY: Beginning Fall quarter 2009, undergraduate students may not exceed 28 quarter units of withdrawals (grade of "W"). Withdrawals completed prior to Fall 2009 are not included in that total. This limit applies only to courses taken at CSUSB, including courses taken through Open University, the College of Extended Learning and special session. The policy will be available at www-ugs.csusb.edu/advising.

Students who find it necessary to cancel their registration or to *withdraw from all classes after enrolling for any academic term are required to follow the University's official withdrawal procedures. **Failure to follow formal University procedures may result in an obligation to pay tuition fees as well as the assignment of failing grades in all courses and the need to petition for re-admission before being permitted to enroll in another academic term.** Information on canceling registration and withdrawal procedures are available from the Office of the Registrar, UH 171 and/or phone 909-537-5200.

Students who receive financial aid funds must consult with the Financial Aid Office prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

WITHDRAWAL FROM THE UNIVERSITY

1. If a student drops a class or withdraws from the University by the last day to drop (Census), for the designated session, no record will be made of enrollment in the course(s). **(See "Refund of Tuition Fees" to determine eligibility for a refund.)**
2. A drop or withdrawal will not be permitted after the last day to drop (Census), for the designated session, **except in cases involving accident or illness (physical or mental), serious personal or family problems, military transfer, or substantial change in employment during the term.** (See "Refund of Tuition Fees" to determine eligibility for a refund.)
3. **A GRADE OF "W" WILL BE ASSIGNED** for approved drops and withdrawals occurring after the Census date for the designated session. If a student drops a class or withdraws from the University by the last day to drop, no record will be made of enrollment in the course(s). **(See "Refund of Tuition Fees" pages to determine eligibility for a refund.)**
4. **A GRADE OF "WU" WILL BE ASSIGNED** (Withdrawal Unauthorized) if and when a student fails to officially drop from a class or classes. **This grade is equivalent to an "F" and will retain fees.**

WITHDRAWAL PROCEDURES

By last day to drop, for each session (Census):

Record of enrollment will not be made, nor grade of W will be issued, if a student withdraws from all classes by the Census date for the designated session. You may withdraw from all classes over *MyCoyote* by the Census deadline. Questions regarding this process should be addressed to the Office of the Registrar in UH-171 or by calling 909-537-5200.

After (Census) (for the designated session):

Report to the office of your major. Undeclared students will need to report to the Office of Advising and Academic Services in UH-380 and unclassified graduate students report to the Office Graduate Studies in CH-123. Supporting documentation is required and must be submitted with the Petition to Drop After Census form. *Picture ID is required.*

Deadline to Withdraw After Census:

Session 10W: August 14, 2019

Session 6W1: July 17, 2019

Session 6W2: August 26, 2019

RETROACTIVE WITHDRAWALS

Requests for withdrawal from a course(s) following the end of the term (retroactive withdrawal) will be considered, with required documentation, only for:

1. **ACCIDENT OR ILLNESS**
(Physical or mental)
DOCUMENTATION:
Police Report, note from physician
2. **SERIOUS PERSONAL or FAMILY PROBLEMS**
DOCUMENTATION:
Licensed clergyman or therapist, needs to be a Professional
3. **MILITARY TRANSFER**
DOCUMENTATION:
Transfer papers, or military orders

Note: Rental agreements or change of address are not sufficient for documentation of retroactive withdrawal. Transfer out of the area still requires students to drop courses before the refund deadline date designated for each session. Documentation is required. In addition, extenuating circumstances **MUST** be shown to have prevented withdrawal before the refund deadline date. Partial retroactive withdrawal from courses is not permissible for any reason. All courses must be withdrawn and will be noted with a "W" on the official transcript. **Lack of awareness of the withdrawal procedure is not an extenuating circumstance.** Requests must be made in writing to the Director of Advising and Academic Services, UH-380.

Thinking about Dropping ALL of your Classes?

Dropping could have an effect on your financial aid!

- A repayment calculation will be made using the appropriate federal Return of Title IV policy. This calculation will determine what percentage of aid received, if any, you are eligible to receive/retain and how much, if any, you may have to return.
- If you drop all classes prior to the first day of the session, you will owe 100% of all aid disbursed to you.
- If you received a loan and withdraw, you start using your grace period. Students receiving a loan must be enrolled in a minimum of six (6) units for their loan.
- Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to receiving future federal financial aid again.
- Dropping courses may affect your Satisfactory Academic Progress and future financial aid eligibility. You may review our Satisfactory Academic Progress and completion ratio at <https://www.csusb.edu/financial-aid/current-students/eligibility-requirements/satisfactory-academic-progress/post-baccalaureate>

Show me an example, please!

Let's say ... you received a \$1,974 Federal Grant for Regular Session and drop all your classes on July 27, 2019, you would owe 51.28% (or \$1,012.27) back to your grant.

Grievance Policy Information

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic Services, UH Room 380, (909) 537-5034, or from [Academic Advising Services -grade appeals website](#).

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

- Clerical error
- Capricious or prejudicial evaluation
- Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

- Denial of Admission to or Dismissal from a course, major or program.
- Placement on Academic Probation
- Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

They may, however participate in the CSU Intrasystem Concurrent Enrollment Program or the UCR/CSUSB Cross Registration Program but must be concurrently enrolled in (and complete) at least 12 units at CSUSB and may only enroll in upper-division courses that are not offered at CSUSB. Graduation Requirement Check

Students must request a graduation requirement check with the [Office of the Registrar](#) prior to the end of the term of their expected graduation. To avoid late fees, the graduation check should be filed by the established deadlines. Note that the **deadline is the first business day of the months listed below**. To be eligible to file the grad check, undergraduate students must have completed 135 quarter units towards their degree. This may include current work in progress. Graduate students must be advanced to candidacy.

<u>Filing Date</u>	<u>Graduation Term</u>
May 2019	Winter Quarter 2020
November 2019	Spring Quarter 2020
January 2020	Summer Quarter 2020
February 2020	Fall Quarter 2020

The fee for filing the grad check is \$25 per major, minor, concentration, option, plan, specialty or track. If the grad check is filed after the deadline, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track will be charged. The \$50 Commencement fee is due at the time grad check is requested. Students who do not complete the requirements in the term for which the grad check was filed, must re-file and pay a \$20 re-file fee for a second grad check, per major, minor, concentration, option, plan, specialty or track. If the re-filed grad check is filed after the deadline date, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track, will be charged. The \$50 commencement fee is not accessed to re-filed grad checks under the same career (or academic program). Access to subsequent registration will not be allowed until the grad check has been re-filed. Once the grad check is completed, students will receive an email notification confirming completion and that the grad check is available to view from the student center.

CSU Immunization Requirements

Immunization requirements are **not** admission requirements, but are required of students as conditions of enrollment in the CSU.

Entering CSU students are required to present proof of the following immunizations to the CSU campuses they will be attending before the beginning of their first term of enrollment: A) Measles, Mumps, and Rubella (MMR), B) Varicella (Chickenpox), C) Tetanus, Diphtheria and Pertussis (Tdap), D) Meningococcal conjugate (Serogroups A, C, Y, W-135), and E) Screening and Risk Assessment for Tuberculosis (TB).

In addition to these **required** vaccines and screenings, the Center for Disease Control and Prevention (CDC) and California Department of Public Health (CDPH) **strongly recommends** several additional vaccinations. For more information regarding vaccinations, screening requirements, recommendations, and immunization schedules please visit the Student Health Center's website: [Student Health Center - Immunizations](#).

Administrative Drop

Faculty members **may** initiate an administrative drop of a student in their courses based on any one of the following criteria.

Lack of attendance: Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

Prerequisites not met: Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

Attending Classes

1. No student may attend classes until his/her registration has been completed.
2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
3. A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better. Approved Course Overload Permits will be accepted at the Office of the Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and **HOLDS** must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS".

2. **Obtain the authorized signature of approval from the College Dean.**

Declared undergraduates see the dean of the college of your major for approval.

Undeclared undergraduates see the Dean of Undergraduate Studies for approval.

Classified graduates and post-baccalaureates see their graduate coordinator for approval.

Unclassified graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved**, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

1. Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.
2. Student must complete the examination within the first two weeks of the quarter. (**NOTE:** Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
3. Credit by examination may only be taken by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current *Bulletin of Courses* for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.

Open University

Gateway to University courses for non-admitted students

Open University makes it possible for you to take degree-applicable CSUSB courses, on a space-available basis without being formally admitted to the University. Some classes may require you to meet the necessary prerequisites, if any, before enrolling.

Open University is a program designed for those who:
