

Charge of CSUSB SSI Advisory Board

The SSI Advisory Board meets quarterly to review SSI data trends and provide feedback to the SSI Steering Committee on matters related to SSI impact, barriers to success, and make recommendations for improvement.

The SSI Advisory Board includes:

- The Dean of Undergraduate Studies (co-chair)
- The Dean of Students (co-chair)
- One student representative appointed from each academic college
- One representative from each academic college, as recommended by the respective deans*
- Three representatives from Student Affairs, as recommended by the VPSA
- One representative from Academic Affairs, as recommended by the Provost
- One representative from each of the other divisions receiving SSI funding
- One representative from PDC

The SSISC co-chairs will report to the SSIEC at least twice each quarter on the activities and recommendations of the SSISC and the SSIAB.

The non-student members of the SSISC will be appointed annually by the SSIEC in May of each year. The student members of the SSISC will be appointed annually by ASI in September of each year.

** We recommend both faculty and associate dean representatives be identified within this appointment structure.*
