

Current Student Survey Report 2014

By: David Dysart
Graduate Research Assistant
Institutional Research
California State University, San Bernardino
July 10, 2014

The Current Student Survey evaluates the quality of classes, studying, working, services, and advising for students. Since all students are now mandated to use their csusb.edu email account, we have implemented this survey completely online.

The Current Student Survey was administered during the spring quarter of 2014.

Of the 15943 students invited to participate, 1887 (12%) completed the survey. Data are presented as percentages.

For further analyses, researchers can request SPSS or Excel files from Institutional Research. This report can also be viewed as a PDF file at <http://ir.csusb.edu/studies/departmentSelfStudies.html>
