LETTER FROM THE CHANCELLOR

Dear Class of 2019,

Today, you are in many ways different from the person you were on your first day on campus. In your time at the California State University, you have transformed from someone who learns about innovations in your field into a person fully capable of advancing those innovations.

Your educational transformation was spurred by your faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them—indeed all of us—with pride.

You are now part of the 3.7 million CSU alumni who are powering California, the nation and the world. These alumni are solving our greatest challenges, educating the next generation, fighting for equality and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections—both to your campus and to other CSU alumni—to expand your opportunities and to make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you embark upon your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2019. I look forward to all that you will accomplish.

Sincerely,

A handwritten signature in black ink that reads "Timothy P. White". The signature is written in a cursive, flowing style.

Timothy P. White
Chancellor

LETTER FROM THE PRESIDENT

Dear Graduates,

Welcome to the 2019 California State University, San Bernardino Spring Commencement exercises at Citizens Business Bank Arena. You, our graduates, are the pride of the university community. It is especially meaningful for me, as I know it is for our faculty and staff, to join in celebrating this important milestone with you, your families and friends.

Congratulations!

Earning a college degree is a significant achievement. In fact, it is perhaps one of the most important events in one's life; a defining accomplishment that serves as a source of inspiration and satisfaction, especially if you are among the many here who are the first in your family to graduate from college. You will fondly look back on this day as you advance in your careers, start families and work toward achieving your goals. Now more than ever a college education is the foundation for success in the 21st century global economy.

Your decision to finish your degree will prove beneficial. Consider this statistic: The unemployment rate for those with a bachelor's degree or higher is less than half the rate for those with only a high school diploma. Beyond higher employment rates, college graduates have greater earning and promotion potential as well as a more nuanced understanding of the world. They are also more likely to be in better health, involved in the community, and engaged in civic affairs – all of which make for a more meaningful life.

I am extremely proud of what you have accomplished. Your success is a direct result of hard work, discipline and dedication. I also know that, regardless of your backgrounds, each of you made sacrifices along the way to reach this point, the beginning of a new phase in your life. You have proven you possess what it takes to succeed and all of you should take great pride in your accomplishments.

Cal State San Bernardino – your alma mater – will always be here for you. We will support you in your career endeavors, both now and in the future, offering guidance and encouragement. Because we want you to remain an important part of the CSUSB family, I encourage you to stay connected through our Alumni Association and keep us apprised of marriages, births, additional degrees, address changes, career advancement and other important life developments.

Once again, congratulations Spring 2019 graduates. I wish you the very best as you pursue your goals and dreams, and eagerly await personally commending you on stage.

A handwritten signature in black ink, appearing to read 'TDM', with a stylized flourish extending to the left.

Tomás D. Morales
President

COMMENCEMENT SYMBOLISM AND TRADITION

Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, Professor Emeritus of art, 2000.

ALMA MATER

By Loren Filbeck, D.M.A.

Professor Emeritus of Music

Beneath the shimm'ring mountains,
Near sea and desert sand,
Our Alma Mater stands secure,
Truth's light held in her hand.
Her youth and energy we share
As we reach t'ward wisdom's door,
Her name we laud and gladly bear,
With pride our spirits soar.
San Bernardino, our Alma Mater,
We sing our praise to thee.
San Bernardino, as sons and daughters
We pledge faith and loyalty.

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Cum Laude, Magna Cum Laude and Summa Cum Laude

University honors at graduation are awarded to undergraduate students in three classifications based on all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Summa Cum Laude 3.9, Magna Cum Laude 3.75 and Cum Laude 3.5. Candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the summer/spring quarters for degree purposes. Students who have earned university honors through winter are eligible to wear honors cords as a special mark of the distinction they have achieved.

Departmental Honors

Candidates who have earned Departmental Honors wear various color cords as a special mark of the distinction they have achieved.

Golden Key

Candidates for Golden Key International Honour Society are selected from juniors, seniors and graduate students in the upper 15 percent of their class. Golden Key International was founded at the Georgia State University in 1977; California State University, San Bernardino's chapter was established in 2002.

CITATION FOR SANG-KYUN LEE

Honorary Doctorate of Humane Letters

*California State University, San Bernardino
Commencement, June 15, 2019*

One of Korea's most impactful philanthropists and foundation leaders, Dr. Sang-Kyun Lee's generosity has made a profound impact on the faculty and students of California State University, San Bernardino, especially in the high impact practice of studying abroad.

In the arena of higher education, Dr. Lee has been instrumental in increasing the philanthropy of Shin-II Educational Foundation through significant grants to individual universities in different parts of the world to support both students and faculty. These grants have also promoted student exchanges and faculty visitation programs. In addition, the foundation has made significant donations to the International Association of University Presidents (IAUP), which has members around the globe.

Dr. Lee was key to the approval of a grant of \$400,000 to promote student exchanges between CSUSB American and Korean students, as well as faculty visitation programs. The gift became one of the university's largest single endowment funds dedicated exclusively to study abroad.

The Shin-II Educational Foundation and the Korea Foundation collaborated in the spring of 2017 on a second gift of nearly \$100,000 to expanded studies of Korean culture. Thanks to the support of Dr. Lee, CSUSB has received a third gift of \$80,000, which will allow the 50-member CSUSB Chamber Orchestra to perform at the renowned Seoul Arts Center, the country's premier performing arts venue. The concert is scheduled for October 2019.

Regarding his contributions to Korean society, Dr. Lee is vice-chairman of the Seoul Metropolitan City chapter of the Korean National Red Cross. Additionally, he is a standing committee member of The National Peaceful Unification Advisory Board of Korea. The nation president of Korea is the chairman. Dr. Lee is a board member of UN organization, International Vaccine Institute (IVI).

Dr. Lee's achievements demonstrate many of the core values of our community and he will represent the California State University system and CSU San Bernardino with distinction.

In recognition of his many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon Sang-Kyun Lee the honorary degree of Doctor of Humane Letters.
