Quarter to Semester Translation Table
Quarter Requirements (AY 2017-18)

			Semester Course Equivalencies (Course is the same as the quarter course. This can be 1:1; 1:many; many:1; or many:many courses. Anywhere (for any program) which the quarter course was required or listed, this (these) semester course(s) can be used. This information will also be displayed in the course conversion guide. Repeat rules apply.)	Acceptable Semester Course Substitutions (Course is NOT the same as the semester course, but it is acceptable for this particular program requirement area for all students. This information WILL NOT be displayed in the course conversion guide, but will be reflected on the PAWS as a choice for the student. Repeat rules DO NOT apply.)	Acceptable Semester Course Repeats (If there is no semester course equivalency, this is the alternative course to allow for grade forgiveness/grade discounting.)	Quarter Units (Current number of units which are required for each requirement area.)	Semester Units (Number of semester units which will be required for each requirement area.)	Notes
		Quarter Courses						
Program Requirements	Students are admitted as a cohort and classes are offered on a two year rotating basis. We only anticipate half of the required classes for one cohort to be "caught" between quarters and semesters. Therefore, if a required class is not available during transition a CS 55XX special topics class will be offered for the cohort.	CD 531	CD 5531	CD 55XX		4	3
