## Who Is Doing What: The Responsibilities of a Signatory

|   | Initiator | Chair | CCC | Dean | GE | UCC | Senate | AVP | Prov/Pres. |
|---|-----------|-------|-----|------|----|-----|--------|-----|------------|
| 1. The proposal has been fully vetted in the department.  |           |       |     |      |    |     |        |     |            |
| 2. The proposed program fits the mission of the college.  |           |       |     |      |    |     |        |     |            |
| 3. The proposed program fits the mission of the university.   |           |       |     |      |    | Х   |        | Х   |            |
| 4. The curriculum meets disciplinary standards and CSU norms.   |           |       |     |      |    | Х   |        | Х   |            |
| 5. The courses in the program are rigorous in content and appropriate in pedagogy.                                  |           |       |     |      |    | Х   |        |     |            |
| 6. If in the GE, the course meets standards (content and learning outcomes) in an area (category) or theme.         |           |       |     |      | Х  |     |        |     |            |
| 7. Necessary consultation has taken place.  |           |       |     |      |    | Х   |        |     |            |
| 8. The CS# (K-factor) for a course is appropriate.  |           |       |     |      |    | Х   |        | Х   |            |
| 9. The language used in the proposal follows received conventions and the proposal is ready for catalog production. |           |       |     |      |    | Х   |        | Х   |            |
| 10. There are sufficient resources to support the proposed program.   |           |       |     |      |    |     |        |     |            |
| 11. The program is in line with CSUSB policies and regulations.   |           |       |     |      |    | Х   |        | Х   |            |
| 12. The program complies with Title 5 and CSU regulations.  |           |       |     |      |    |     |        | Х   |            |
| 13. Self-support program: Certification that state recourses are<br>"either unavailable or inappropriate."          |           |       |     |      |    |     |        |     |            |
| 14. The campus is ready to implement the program (if new).  |           |       |     |      |    |     |        |     | Х          |
