Benefits/Financial Aid

Our experienced financial aid staff can help you with coordinating your GI Bill®, tuition assistance and veteran or dependent education awards. There are a variety of sources for financial support for veterans, active duty military, reservists and dependents. Each has its own forms, processes and timetables. VA benefits are considered in the determination of financial aid eligibility. Receiving VA benefits does not disqualify you from other types of financial aid. You should also file the Free Application for Federal Student Aid (FAFSA).

VA Education Benefits

The School Certifying Official (SCO) provides assistance on completing and filing VA education forms for federal assistance programs. The SCO can also assist with special registration procedures required for students who are sponsored through one of the Cal Vet waiver programs (for dependents and disabled veterans). Follow the steps listed below to receive your education benefits:

- 1 Register for classes.
- 2 If you have not used your VA Education Benefits, apply for benefits or update benefits at www.gibill.va.gov.
- 3 If you are a veteran, give the SCO a copy of your [DD-214](#), [Veterans Statement of Responsibility](#), and your education benefits award letter. If you are in the reserves applying for Chapter 1606, you will need to submit a copy of your [NOBE](#), which you can obtain from your unit. There will be other forms to fill out, depending on the type of education benefit you receive. The SCO will guide you through the process.
- 4 Each quarter, fill a [Veteran Statement of Responsibility](#) to let the SCO know that you would like to be certified. You can email the form to the SCO, Jaime Espinoza at jespinoza@csusb.edu.

Continues next page— GI Bill®

Continuation — GI Bill®

- 5 On the last day of each month, verify your enrollment with the VA using the WAVE system: www.gibill.va.gov/wave or by calling the phone verification system at **1 (877) 823-2378**.
(Only Chapter 1606 or 30.)
- 6 Notify the SCO immediately if there are any changes in the number of units you are taking (add/drop, withdrawal, etc.), if you are being activated, called for training, deployed, or if you change your major.
