#### INDEPENDENT AUDITOR'S REPORT

#### Report on the Financial Statements

We have audited the accompanying financial statements of Santos Manuel Student Union of California State University, San Bernardino (Student Union), (a nonprofit organization), a component unit of California State University, San Bernardino as of and for the year ended June 30, 2017, and the related notes to the financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and with specific standards prescribed by the Chancellor's Office and the Department of Finance. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Student Union, as of June 30, 2017, and the respective changes in financial position and, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Report on Summarized Comparative Information

We have previously audited the Student Union's 2016 financial statements, and our report dated September 19, 2016, expressed an unmodified audit opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of funding progress – other post-employment benefit plan, schedule of the plan's proportionate share of the plan's net pension liability and related ratios as of the measurement date, and schedule of plan contributions, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Student Union's financial statements as a whole. The Organizational Data, Schedule of Operating Expenses by Function, Auxiliary Organization's Schedule of Net Position, Schedule of Revenues, Expenses and Changes in Net Position and Other Information are presented for purposes of additional analysis and are not a required part of the financial statements.

The Schedule of Operating Expenses by Function and the Auxiliary Organization's Schedule of Net Position, Schedule of Revenues, Expenses and Changes in Net Position and the Other Information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

Rogers, Anderson, Malody e Scott, LLP.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 18, 2017, on our consideration of the Student Union's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Student Union's internal control over financial reporting and compliance.

San Bernardino, California September 18, 2017

# Management's Discussion and Analysis June 30, 2017

The following section of the Santos Manuel Student Union of California State University, San Bernardino's annual financial report includes some of management's insights and analysis of the Student Union's financial performance for the year ended June 30, 2017.

#### INTRODUCTION TO THE BASIC FINANCIAL STATEMENTS

This annual report consists of a series of financial statements, prepared in accordance with the Governmental Accounting Standards Board's Statement 35, Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities.

The financial statements include the Statement of Net Position, the Statement of Revenues, Expenses and Changes in Net Position, and, the Statement of Cash Flows. These statements are supported in the annual financial report by the notes to the financial statements, required supplementary or statistical information, and this section. All sections must be considered together to obtain a complete understanding of the financial picture of the Student Union.

<u>Statement of Net Position</u>: The Statement of Net Position includes all assets, deferred outflows of resources, liabilities, and deferred inflows of resources. Assets and liabilities are reported at their book value, on an accrual basis, as of the statement date. However, investments are reported at their fair market value. It also identifies major categories of restrictions on the net position of the Student Union.

<u>Statement of Revenues, Expenses and Changes in Net Position</u>: The Statement of Revenues, Expenses and Changes in Net Position presents the revenues earned and the expenses incurred during the year on an accrual basis.

<u>Statement of Cash Flows</u>: The Statement of Cash Flows presents the inflows and outflows of cash, summarized by operating, capital and noncapital, financing and investing activities.

#### REPORTING ENTITY

The Santos Manuel Student Union of California State University, San Bernardino is a 501(c)(3) not-for-profit corporation that is an auxiliary organization of California State University, San Bernardino, and is therefore considered a component unit of the University.

#### SUMMARY

All students who attend California State University, San Bernardino are required to pay a mandatory Student Union fee. These fees are collected quarterly and support Santos Manuel Student Union and Student Recreation and Fitness Center operations, the annual bond payments, transfers to the repair and replacement funds and the construction funds, as needed and approved by the Board of Directors.

In general, Student Union funds may be spent in accordance with the California Education Code, Title 5 and the terms of past student fee referenda. A portion of the mandatory fees (return of surplus) returned to the Student Union is used to support the operating budgets of the Santos Manuel Student Union and the Student Recreation and Fitness Center in accordance with Title 5.

## Management's Discussion and Analysis June 30, 2017

### **FINANCIAL ANALYSIS**

#### **Net Position**

The Student Union's assets and deferred outflows of resources exceed liabilities and deferred inflows of resources by \$2,032,397 at the close of the most recent fiscal year. Of this, \$495,129 or 24.4% reflects its net investment in capital assets (e.g., buildings, leasehold improvements, and machinery and equipment, net of accumulated depreciation). The Student Union uses these capital assets to provide services to students and other users; consequently, these assets are not available for future spending.

#### Student Union's Summarized Statement of Net Position

	2017		2016
Current assets Noncurrent assets	\$ 3,208, 495,		\$ 3,059,726 432,239
Total Assets	3,704,	026	 3,491,965
Deferred outflows of resources	347,	176_	219,586
Current liabilities Noncurrent liabilities	399,; 1,541,		397,062 1,113,508
Total Liabilities	1,940,851	851_	1,510,570

Net position  Net Investment in capital assets  Unrestricted (See note 1)	495, 1,537,		432,239 1,630,915
Total Net Position	\$ 2,032,	397	\$ 2,063,154

The Student Union's net position decreased by \$30,757 during the current fiscal year.

Reserved balances as of June 30, 2017 held by the Campus on behalf of the Santos Manuel Student Union were as follows:

- Designated for Operations: \$6,196,692
- Designated for Maintenance and Repairs: \$2,712,897
- Designation for Capital Improvements: \$3,392,717

<sup>\*</sup> See Note 1, Page 15 for breakdown of unrestricted net position.

# Management's Discussion and Analysis June 30, 2017

### FINANCIAL ANALYSIS (continued)

#### Changes in Net Position

Revenues increased by \$368,265 or 7.1%, which is attributed primarily to an increase of return of surplus revenues of \$190,387.

Expenses increased by \$554,505 or 11.0%. Expenses increased primarily due to an increase in salaries and benefits, as well as supplies and services at the Recreation Center.

#### Student Union's Changes in Net Position

	2017	2016
Revenues		
Return of surplus	\$ 4,961,100	\$ 4,770,713
Income from operations	540,630	374,635
Program income	5,667	6,791
Investment income	 41,812	 28,805
Total Revenues	 5,549,209	5,180,944
Expenses		
Student services	3,000,544	2,673,519

Notes to Financial Statements June 30, 2017

### Note 1: Nature of Organization and Summary of Significant Accounting Policies

The Santos Manuel Student Union of California State University, San Bernardino (the Student Union) is a not-for-profit organization incorporated on November 18, 1977, under the laws of the State of California. The Student Union is an auxiliary organization (component unit) of the California State University and Colleges as defined under Section 89901 of the Education Code of the State of California and California Administrative Code, Title 5, Section 42400. The Student Union was formed to finance, operate and construct a campus union facility at California State University, San Bernardino as a student body center for the benefit of the students, faculty, staff, alumni and guests of the University in order to promote and assist the educational programs of the University. The Student Union performs these functions under an operating agreement with Trustees of the California State University (the Trustees). The Student Union agrees to apply the funds and properties it receives exclusively towards these purposes and to obtain written approval of the Trustees prior to initiating any additional functions. The current operating agreement was entered into, effective September 1, 2012 and expires on August 31, 2017. The new operating agreement is currently in the process of being renewed and will cover the period beginning September 1, 2017 – August 31, 2027.

#### Reporting Entity

Accounting principles generally accepted in the United States of America require that these financial statements present the accounts of the Student Union and any of its component units. Component units are legally separate entities for which the Student Union is considered to be financially accountable or otherwise has a relationship, which is such that the exclusion of the entity would cause the financial statements to be misleading. Blended component units are considered, in substance, part of the Student Union's operations, so the accounts of these entities are to be combined with the data of the Student Union. Component units, which do not meet these requirements, are reported in the financial statements as discrete units to emphasize their separate legal status. The Student Union has determined that it is not financially accountable for, nor has any other relationship with, any other organization, which would require its inclusion in these financial statements. However, the Student Union is a component unit of California State University, San Bernardino.

### **Basis of Accounting**

As a component unit of California State University, San Bernardino, the Student Union has elected to follow the accounting standards and pronouncements issued by the Governmental Accounting Standards Board (GASB). The Student Union reports its operations as a proprietary fund, which is accounted for using the economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Notes to Financial Statements June 30, 2017

# Note 1: Nature of Organization and Summary of Significant Accounting Policies (continued)

### Basis of Accounting (continued)

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the Student Union are the mandatory fees collected from the students at California State University, San Bernardino. Operating expenses for the Student Union include the cost of services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

### **Fund Accounting**

The accounts of the Student Union are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and uses them to aid management in demonstrating compliance with finance-related legal and contractual provisions. The Student Union's financial statements include only an enterprise fund, which is a proprietary fund type. Enterprise funds are used to account for those operations that are financed and operated in a manner similar to private business or where the Board has decided that the determination of revenues earned, costs incurred and/or change in net position is necessary for management accountability.

#### Cash and Investments

The Student Union's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from date of purchase.

Investments are reported at fair value.

### **Accounts Receivable**

Accounts receivable are carried at their estimated collectible amounts. Credit is generally extended on a short-term basis; thus accounts receivable do not bear interest.

Receivable balances are periodically reviewed for collectability based on past credit history with customers and their current financial condition. Management makes the determination concerning the amounts to be written off on a case by case basis. As of June 30, 2017 the organization estimated \$4,676 to be uncollectible.

Notes to Financial Statements June 30, 2017

# Note 1: Nature of Organization and Summary of Significant Accounting Policies (continued)

#### Capital Assets

Capital assets including property and equipment are carried at cost. The Student Union's policy is to capitalize additions and improvements in excess of \$5,000. Repairs and maintenance are charged to operations as incurred. Costs and related allowances for depreciation of capital assets sold or otherwise retired are eliminated from the accounts and gains or losses on disposition are included in income. Contributed assets, if any, are stated at fair market value at the time received by the Student Union. Depreciation is provided on the straight-line method over the estimated useful lives of five to fifteen years.

### **Income Taxes**

The Student Union is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as an organization that is not a private foundation. A comparable exemption has been granted by the State of California under the Revenue and Taxation Code 23701(d).

The Student Union files informational tax returns in the U.S. federal jurisdictions and the state of California. The Student Union is no longer subject to U.S. federal and state examinations for years before 2013.

#### Use of Estimates

The preparation of these financial statements requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets, deferred outflows of resources, liabilities, deferred inflows of resources, revenues and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Reclassifications

Certain amounts in the 2016 comparative totals have been reclassified to conform to the 2017 reporting format. The net position and change in net position were not affected by these reclassifications.

# Notes to Financial Statements June 30, 2017

# Note 1: Nature of Organization and Summary of Significant Accounting Policies (continued)

#### <u>Unrestricted Net Position</u>

The Unrestricted Net Position of \$1,537,268 is designated to Program Funds as shown below. These are allocated fund reserves, which support programs such as Working Capital, the Long-Term Equipment Repair & Replacement Plan, Major Maintenance Plan, and SMSU Major Campus Event Funds.

Administrative Working Capital	\$ 829,245

Unrestricted	(93,647)
	\$ 1,537,268

The statement defines net position as the residual of all other elements presented in a statement of net position. It is the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources.

#### Note 2: Cash and Investments

Cash and investments as of June 30, 2017 are classified in the accompanying financial statements as follows:

Statement of Net Position:

**Current Assets:** 

Cash and cash equivalents Short-term investments	\$ 194,174 2,820,958
Total Cash and Investments	\$ 3,015,132

# Notes to Financial Statements June 30, 2017

### Note 2: Cash and Investments (continued)

Cash and investments as of June 30, 2017 consist of the following:

Cash on hand	\$ 1,600
Deposits with financial institutions	192,574
Investments	 2,820,958
Total Cash and Investments	\$ 3,015,132

#### Fair Value Measurements

GASB Statement No. 72, Fair Value Measurements and Application, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of quoted prices (unadjusted) for identical assets and liabilities in active markets that a government can access at the measurement date, Level 2 inputs that are observable for an asset or liability, either directly or indirectly, and Level 3 inputs have the lowest priority and consist of unobservable inputs for an asset or liability.

The following table presents the balances of the assets measured at fair value on a recurring basis as of June 30, 2017:

				No	t Subject to	
Investments by Fair Value Level	Level 1		Level 2		GASB 72	Total
SWIFT Investments:			_		_	_
Asset Backed Securities	\$ 99,702	\$	-	\$	-	\$ 99,702
Certificates of Deposit	-		49,438		-	49,438
Corporate Bonds	42,898		278,376		-	321,274
Money Market Funds	2		-		5,006	5,008
Mortgage Backed Securities	-		115		-	115
Municipal Bonds	-		5,281		-	5,281

	\$ 355,045	\$	805,409	\$	1,660,504	\$ 2,820,958

Notes to Financial Statements June 30, 2017

### Note 2: Cash and Investments (continued)

#### **Investment Policy**

State law and regulations require that surplus monies of the Student Union must be invested. The primary objective of the investment policy is to safeguard the principal. The secondary objective is to meet the liquidity needs of the Student Union. The third objective is to return an acceptable yield. The investment policy authorizes funds held in local trust accounts under Education Code Sections 89721 and 89724 to be invested in any of the securities authorized by Government Code Section 16430 and Education Code Section 89724, subject to certain limitations. In general, the investment policy permits investments in obligations of the federal and California state governments, certificates of deposit, and certain other investment instruments.

### Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Student Union manages its exposure to interest rate risk is that the pool purchases a combination of short-term and midterm investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or nearing maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

### **Custodial Credit Risk**

Custodial credit risk for *deposits* is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for *investments* is the risk that in the event of the failure of the counter party to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies.

The California Government Code and the Student Union's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments.

As of June 30, 2017, none of the Student Union's deposits with financial institutions, were in excess of the Federal Deposit Insurance Corporation (FDIC) limits.

# Notes to Financial Statements June 30, 2017

## Note 2: Cash and Investments (continued)

#### Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization.

The following table presents the fair value, weighted average maturity (WAM), and actual rating by investment type of the Student Union's investment portfolio as of June 30, 2017:

			WAM			Ratings as	of Yea	ır-End		
Investment	F	air Value	(Years)	AAA	AA		Α		Not Rated	
Asset Backed Securities	\$	99,702	1.53413	\$ 99,702	\$	-	\$	-	\$	-
Certificates of Deposit		49,438	0.28861	20,853		6,202		22,383		-
Corporate Bonds		321,274	1.26804	3,231		75,076		242,967		-

	\$	2,820,958		\$ 130,251	\$	761,572	\$	267,930	\$	1,661,205

### Concentration of Credit Risk

The investment policy of the Student Union contains no limitations on the amount that can be invested in any one issuer beyond what is stipulated by the California Government Code. At June 30, 2017, the investments in any one issuer (other than external pools) that represent 5% or more of total Student Union investments are as follows:

Issuer	Investment Type	Repo	rted Amount
Government of the United States	US Treasury	\$	252,282
Federal Farm Credit Banks Funding Corporation	US agency securities		82,871
Federal Home Loan Mortgage Corporation	US agency securities		80,608
Federal National Mortgage Association Fannie Mae	US agency securities		89,085
FHLBanks Office of Finance	US agency securities		113,198

Notes to Financial Statements June 30, 2017

#### Note 2: Cash and Investments (continued)

#### Investment in CSU Systemwide Investment Fund Trust

Student Union has pooled investments with the CSU Systemwide Investment Fund Trust (SWIFT). As a result of a 2007 change in Education Code 89721(I) that allowed CSU to self-manage student tuition and fees, CSU created a central banking system and created the SWIFT investment portfolio for the purpose of enhancing centralized cash and investment management. Because the central banking system and SWIFT are inextricably linked, each member in the central banking system is also a member in SWIFT, also referred to collectively as The Bank of CSU. These funds are reported as a short-term investment. The SWIFT consists of investments of cash on an overnight and/or short-term basis, the funds representing the float on funds collected from all eligible sources prior to their use for payment of accounts payable and payroll. Excess cash over and above what is needed to fund short-term payables and payroll are transferred to medium or longer term investments.

Student Union relies upon information provided by the SWIFT in estimating the fair value position of its holdings in it. Student Union's holdings in SWIFT had a value of \$1,165,460 as of June 30, 2017. SWIFT is not subject to a credit quality rating. At June 30, 2017, SWIFT had invested \$322 million in asset and mortgage backed securities. SWIFT also had \$11 million invested in repurchase agreements. The allocated totals presented are derived from the percentage of the Student Union's investment balance in relation to the pool's investment balance applied to the pools total balance for each investment category.

#### Investment in State Investment Pool

The Student Union is a voluntary participant in the Local Agency Investment Fund (LAIF), which is part of the Pooled part of the Pooled Money Investment Account that is regulated by the California Government Code under the oversight of the State Treasurer, Director of Finance and State Controller. The Student Union may invest up to \$65 million in the LAIF fund. Investments in LAIF are highly liquid, as deposits can be converted to cash within 24 hours without loss of interest. The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. All investments with LAIF are secured by the full faith and credit of the State of California. Separate LAIF financial statements are available from the California State Treasurer's Office on the Internet at <a href="https://www.treasurer.ca.gov">www.treasurer.ca.gov</a>.

The Student Union's investment in this pool is reported in the accompanying financial statements at cost which approximates fair value at amounts based upon the Student Union's pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). Included in LAIF's investment portfolio are certain derivative securities or similar products in the form of asset-backed securities totaling \$1,419 million, which represents 1.8% of the total LAIF portfolio of \$77.5 billion as of June 30, 2017. LAIF's (and the Student Union's) exposure to risk (credit, market or legal) is not currently available.

# Notes to Financial Statements June 30, 2017

#### Note 3: Student Union Fees

The Student Union fees that are collected are deposited into a campus trust fund, where a portion is returned to the Santos Manuel Student Union as a lump sum on an annual basis for the payment of expenses related to Student Union and Recreation Center expenses.

These financial statements do not include the Student Union Facility or the Recreation Center liability for debt incurred to finance either of the facilities or any reserves or other assets, liabilities or activities related to debt service.

Reserved balances as of June 30, 2017 held by the Campus on behalf of the Santos Manuel Student Union were Designated for Operations, Designated for Maintenance and Repairs, and Designated for Capital Improvements for \$6,196,292, \$2,712,897, and \$3,392,717 respectively.

In August of 2013 The Trustees of the California State University issued the Systemwide Revenue Bonds Series 2013A. Proceeds were used to refinance certain maturities of the Revenue Bonds, Series 2005A Expansion Project bonds as well as to refund outstanding bond indebtedness issued by a related auxiliary organization. Bonds outstanding at June 30, 2017 amounted to \$8,600,000.

On August 1, 2012 The Trustees of the California State University issued the Student Union Revenue Bonds, Series 2012A to refund Series 2002A bonds which were issued to finance the construction, repair and maintenance of the Student Union facility. Bonds outstanding at June 30, 2017 amounted to \$945,000.

In April of 2005 the Trustees of the California State University issued the Student Union Revenue Bonds, Series 2005A Expansion Project. The Bonds were issued to refund the Revenue Bond Anticipation Notes issued on May 21, 2004 for the Student Union expansion project and on June 7, 2004 for the Student Recreation Center project. The 2005A Expansion Project bond was refunded during fiscal year 2015-16 when Series 2014A bonds were issued. Bonds outstanding at June 30, 2017 amounted to \$11,885,000.

## Notes to Financial Statements June 30, 2017

## Note 4: Capital Assets

Capital asset activity for the year ended June 30, 2017 was as follows:

	Beginning Balance	A	dditions	Del	etions	Ending Balance
Capital assets, not being depreciated: Works of art	\$ 33,500	\$		\$		\$ 33,500
Capital assets, being depreciated: Buildings	152,896		<del>-</del>		-	152,896
Leasehold improvements Equipment, furniture and fixtures	486,848 530,357		122,188			609,036 530,357
Total capital assets, being depreciated	 1,170,101		122,188			 1,292,289
Less accumulated depreciation for: Buildings Leasehold improvements Equipment, furniture and fixtures	(14,403) (294,133) (462,826)		(5,098) (37,548) (16,652)		- - -	(19,501) (331,681) (479,478)
Total accumulated depreciation	 (771,362)		(59,298)			 (830,660)
Capital assets, net	\$ 432,239	\$	62,890	\$		\$ 495,129

Total depreciation expense for the year ended June 30, 2017 was \$59,298.

#### Note 5: Leasing Arrangements

The Student Union also rents out its facilities to students, the University, other auxiliary organizations and community organizations as available on a day-to-day basis. Total rents from this usage amounted to \$141,051 for the year ended June 30, 2017.

## Note 6: Related Party and Economic Dependency

The Student Union operates under an agreement with the Trustees of the California State University, San Bernardino (CSUSB) as an auxiliary organization of the University. The majority of the Student Union's revenues and assets are dependent on its relationship with the University and its operating agreement with the Trustees. The University provides accounting services, utilities and various services for the Student Union. The Student Union leases space to Associated Student Incorporated (ASI), University Enterprises Corporation (UEC) and the Philanthropic Foundation (PHL) of California State University, all related parties.

Notes to Financial Statements June 30, 2017

## Note 6: Related Party and Economic Dependency, continued

Below is a summary showing the related party transactions at June 30, 2017.

	CSUSB	ASI	PHL	UEC	Totals
Payments to Univ/Aux for salaries of personnel working on contracts, grants, and other programs for the year ended June 30, 2017	\$ 190,614	\$ -	\$ -	\$ -	\$ 190,614
Payments to Univ/Aux for other than salaries of personnel for the year ended June 30, 2017	882,710	3,240	-	4	885,954
Payments received from Univ/Aux for services, space, and programs for the year ended June 30, 2017	188,980	47,775	37,064	104,414	378,233
Accounts Payable to Univ/Aux as of June 30, 2017	(205,059)	-	-	-	(205,059)
Accounts Receivable due from Univ/Aux as of June 30, 2017	89,637	16,139	-	30,326	136,102

### Note 7: Defined Benefit Pension Plan

#### A. General Information about the Pension Plan

#### Plan Description

All qualified permanent and probationary employees are eligible to participate in the Public Agency Cost-Sharing Multiple-Employer Defined Benefit Pension Plan (Plan) administered by the California Public Employees' Retirement System (CalPERS.) The Plan consists of individual rate plans (benefit tiers) within a safety risk pool (police and fire) and a miscellaneous risk pool (all other). Plan assets may be used to pay benefits for any employer rate plan of the safety and miscellaneous pools. Accordingly, rate plans within the safety or miscellaneous pools are not separate plans under GASB Statement No. 68. Individual employers may sponsor more than one rate plan in the miscellaneous or safety risk pools. The Student Union sponsors two miscellaneous rate plans. Benefit provisions under the Plan are established by State statute and Student Union resolution. CalPERS issues publicly available reports that include a full description of the pension plan regarding benefit provisions, assumptions and membership information that can be found on the CalPERS' website, at www.calpers.ca.gov.

Notes to Financial Statements June 30, 2017

## Note 7: Defined Benefit Pension Plan (continued)

#### Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 5 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

The Plan operates under the provisions of the California Public Employees' Retirement Law (PERL), the California Public Employees' Pension Reform Act of 2013 (PEPRA), and the regulations, procedures and policies adopted by the CalPERS Board of Administration. The Plan's authority to establish and amend the benefit terms are set by the PERL and PEPRA, and may be amended by the California state legislature and in some cases require approval by the CalPERS Board.

The Plan's provisions and benefits in effect at June 30, 2017 are summarized as follows:

	Miscellaneous		
	Prior to	On or after	
Hire date	January 1, 2013	<u>January 1, 2013</u>	
Benefit formula	2.7 % @ 55	2% @ 62	
Benefit vesting schedule	5 years service	5 years service	
Benefit payments	monthly for life	monthly for life	
Retirement age	50 - 55	52 - 67	
Monthly benefits, as a % of eligible compensation	2.0% to 2.7%	1.0% to 2.5%	
Required employee contribution rates	6.89%	6.25%	
Required employer contribution rates	8.377%	6.555%	

Notes to Financial Statements June 30, 2017

#### Note 7: Defined Benefit Pension Plan (continued)

#### **Contributions**

Section 20814(c) of the California Public Employees' Retirement Law (PERL) requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. The total plan contributions are determined through CalPERS' annual actuarial valuation process. For public agency cost-sharing plans covered by Miscellaneous risk pools, the Plan's actuarially determined rate is based on the estimated amount necessary to pay the Plan's allocated share of the risk pool's costs of benefits earned by employees during the year, and any unfunded accrued liability. The employer is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. Payments made by the employer to satisfy contribution requirements that are identified by the pension plan terms as plan member contribution requirements are classified as plan member contributions. Employer contributions to the Plan for the fiscal year ended June 30, 2017 were \$88,515. The actual employer payments of \$70,816 made to CalPERS by the Student Union during the measurement period ended June 30, 2016 differed from the Student Union's proportionate share of the employer's contributions of \$114,753 by \$43,937, which is being amortized over the expected average remaining service lifetime in the Public Agency Cost-Sharing Multiple Employer Plan.

### B. Net Pension Liability

The Student Union's net pension liability for the Plan is measured as the total pension liability, less the pension plan's fiduciary net position. The net pension liability of the Plan is measured as of June 30, 2016, using an annual actuarial valuation as of June 30, 2015 rolled forward to June 30, 2016 using standard update procedures. A summary of principal assumptions and methods used to determine the net pension liability is as follows.

# Notes to Financial Statements June 30, 2017

## Note 7: Defined Benefit Pension Plan (continued)

#### B. Net Pension Liability, continued

#### Actuarial Methods and Assumptions Used to Determine Total Pension Liability

	Miscellaneous
Valuation Date	June 30, 2015
Measurement Date	June 30, 2016
Actuarial Cost Method	Entry Age Normal
Asset Valuation Method	Market Value of Assets
Actuarial Assumptions:	
Discount Rate	7.65%
Inflation	2.75%
Salary Increases (1)	3.3%-14.2%
Investment Rate of Return (2)	7.65%
Mortality Rate Table (3)	Derived using CALPERS'
	membership data for all Funds
Post Retirement Benefit Increase	Contract COLA up to 2.75% until purchasing power protection allowance floor on purchasing
	power applies, 2.75% thereafter

- (1) Annual increases vary by category, entry age, and duration of service
- (2) Net of pension plan investment and administrative expenses; includes inflation
- (3) The mortality table used was developed based on CalPERS' specific data. The table includes 20 years of mortality improvements using Society of Actuaries Scale BB. For more details on this table, please refer to the 2014 experience study report.

All other actuarial assumptions used in the June 30, 2015 valuation were based on the results of an actuarial experience study for the period from 1997 to 2011, including updates to salary increase, mortality and retirement rates. The Experience Study report can be obtained at CalPERS' website, at <a href="https://www.calpers.ca.gov">www.calpers.ca.gov</a>.

#### Change of Assumption

There were no changes of assumptions.

Notes to Financial Statements June 30, 2017

## Note 7: Defined Benefit Pension Plan (continued)

B. Net Pension Liability, continued

#### Discount Rate

The discount rate used to measure the total pension liability was 7.65 percent. To determine whether the municipal bond rate should be used in the calculation of the discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. The tests revealed the assets would not run out. Therefore, the current 7.65 percent discount rate is appropriate and the use of the municipal bond rate calculation is not deemed necessary. The long-term expected discount rate of 7.65 percent is applied to all plans in the Public Employees Retirement Fund (PERF). The cash flows used in the testing were developed assuming that both members and employers will make their required contributions on time and as scheduled in all future years. The stress test results are presented in a detailed report called "GASB Crossover Testing Report" that can be obtained at CalPERS' website under the GASB 68 section.

The long-term expected rate of return on pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund (PERF) cash flows. Taking into account historical returns of all the PERF asset classes (which includes the agent plan and two cost-sharing plans or PERF A, B and C funds), expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11-60 years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated above and rounded down to the nearest one guarter of one percent.

# Notes to Financial Statements June 30, 2017

### Note 7: Defined Benefit Pension Plan (continued)

#### B. Net Pension Liability, continued

### Discount Rate, continued

The following table reflects long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. The target allocation shown was adopted by the Board effective on July 1, 2015.

Asset Class	New Strategic Allocation	Real Return Years 1 - 10 <sup>1</sup>	Real Return Years 11+ <sup>2</sup>
Global Equity	51.0%	5.25%	5.71%
Global Fixed Income	20.0%	0.99%	2.43%
Inflation Sensitive	6.0%	0.45%	3.36%
Private Equity	10.0%	6.83%	6.95%
Real Estate	10.0%	4.50%	5.13%
Infrastructure and Forestland	2.0%	4.50%	5.09%
Liquidity	1.0%	(0.55%)	(1.05%)
Total	100%		

<sup>&</sup>lt;sup>1</sup> An expected inflation of 2.5% used for this period

### Pension Plan Fiduciary Net Position

Information about the pension plan's assets, deferred outflows of resources, liabilities, deferred inflows of resources, and fiduciary net position are presented in CalPERS' audited financial statements, which are publicly available reports that can be obtained at CalPERS' website, at www.calpers.ca.gov. The plan's fiduciary net position and additions to/deductions from the plan's fiduciary net position have been determined on the same basis used by the pension plan, which is the economic resources measurement focus and the accrual basis of accounting. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Investments are reported at fair value.

The plan fiduciary net position disclosed in the GASB 68 accounting valuation report may differ from the plan assets reported in the funding actuarial valuation report due to several reasons. First, for the accounting valuations, CalPERS must keep items such as deficiency reserves, fiduciary self-insurance and Other Post-Employment Benefits (OPEB) expense included as assets. These amounts are excluded for rate setting purposes in the funding actuarial valuation. In addition, differences may result from early Comprehensive Annual Financial Report closing and final reconciled reserves.

<sup>&</sup>lt;sup>2</sup> An expected inflation of 3.0% used for this period

## Notes to Financial Statements June 30, 2017

### Note 7: Defined Benefit Pension Plan (continued)

#### C. Proportionate Share of Net Pension Liability

The following table shows the Plan's proportion share of the net pension liability over the measurement period.

	F	Plan Total					Plan Net
	Pension			Plan Fiduciary			Pension
	Liability			<b>Net Position</b>		Liability	
		(a)			(b)	(c	; ) = (a) - (b)
Balance at: 6/30/2015 (VD)	\$	3,664,116		\$	2,830,245	\$	833,871
Balance at: 6/30/2016 (MD)		4,107,565			3,081,513		1,026,052
Net Changes during 2015-16	\$	443,449		\$	251,268	\$	192,181

Valuation Date (VD), Measurement Date (MD)

Student Union's net pension liability for the Plan is measured as the proportionate share of the net pension liability. The net pension liability of the Plan is measured as of June 30, 2016, and the total pension liability for the Plan used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2015 rolled forward to June 30, 2016 using standard update procedures. Student Union's proportion of the net pension liability was determined by CalPERS using the output from the Actuarial Valuation System and the fiduciary net position, as provided in the CalPERS Public Agency Cost-Sharing Allocation Methodology Report, which is a publicly available report that can be obtained at CalPERS' website, at www.calpers.ca.gov. Student Union's proportionate share of the net pension liability for the Plan as of June 30, 2015 and 2016 was as follows:

Proportion Share of NPL - June 30, 2015	0.03039%
Proportion Share of NPL - June 30, 2016	0.02954%
Change - Increase (Decrease)	-0.00085%

## Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Agency's proportionate share of the net pension liability of the Plan as of the measurement date, calculated using the discount rate of 7.65 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is 1 percentage-point lower (6.65 percent) or 1 percentage-point higher (8.65 percent) than the current rate:

	 Discount Rate - 1% (6.65%)		rent Discount ate (7.65%)	Discount Rate + 1% (8.65%)		
Miscellaneous Plan's Net Pension Liability	\$ 1,579,058	\$	1,026,052	\$	569,020	

# Notes to Financial Statements June 30, 2017

### Note 7: Defined Benefit Pension Plan (continued)

C. Proportionate Share of Net Pension Liability, continued

#### Subsequent Events

There were no subsequent events that would materially affect the results presented in this disclosure.

### Recognition of Gains and Losses

Under GASB 68, gains and losses related to changes in total pension liability and fiduciary net position are recognized in pension expense systematically over time.

The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense.

The amortization period differs depending on the source of the gain or loss:

Difference between projected and actual earnings
All other amounts

5 year straight-line amortization

Straight-line amortization over the average expected remaining service lives of all members that are provided with benefits (active, inactive and retired) as of the beginning of the measurement period

The expected average remaining service lifetime (EARSL) is calculated by dividing the total future service years by the total number of plan participants (active, inactive, and retired) in the Public Agency Cost-Sharing Multiple-Employer Plan (PERF C).

The EARSL for the PERF C for the 2015-16 measurement period is 3.7 years, which was obtained by dividing the total service years of 475,689 (the sum of remaining service lifetimes of the active employees) by 127,009 (the total number of participants: active, inactive, and retired). Note that inactive employees and retirees have remaining service lifetimes equal to 0. Also note that total future service is based on the members' probability of decrementing due to an event other than receiving a cash refund.

# Notes to Financial Statements June 30, 2017

### Note 7: Defined Benefit Pension Plan (continued)

## D. Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions

As of the start of the measurement period (July 1, 2015), the Student Union's net pension liability was \$833,871. For the measurement period ending June 30, 2016 (the measurement date), Student Union incurred a pension expense/(income) of \$93,234.

As of June 30, 2017, the Student Union has deferred outflows and deferred inflows of resources related to pensions as follows:

	Deferred Outflows of Resources		In	eferred flows of esources
Difference between expected and				
Actual Experience	\$	4,884	\$	1,119
Changes in Assumptions		-		46,209
Net Difference Between Projected and				
Actual Earnings on Pension Plan Investments		240,503		-
Changes in Employer Proprotion		-		30,626
Difference in Actual vs Projected				
Contributions		13,274		-
Pension Contributions Subsequent				
to Measurement Date		88,515		
Total	\$	347,176	\$	77,954

These amounts above are net of outflows and inflows recognized in the 2015-16 measurement period expense. Contributions subsequent to the measurement date of \$88,515 reported with deferred outflows of resources will be recognized as a reduction of the net pension liability in the upcoming fiscal year. Other amounts reported as deferred outflows and deferred inflows of resources related to pensions will be recognized in future pension expense as follows:

Measureme	ent	Deferred
Period End	ed Outflo	ws/(Inflows) of
June 30:	F	Resources
2017	\$	20,392
2018		12,796
2019		85,225
2020		62,294
2021		-

# Notes to Financial Statements June 30, 2017

### Note 7: Defined Benefit Pension Plan (continued)

#### E. Payable to the Pension Plan

At June 30, 2017, Student Union reported a payable of \$0 for the outstanding amount of contributions to the pension plan required for the year ended June 30, 2017.

### Note 8: Other Post-Employment Benefits

#### Plan Description

The Santos Manuel Student Union provides medical and dental plan coverage for retirees and their eligible surviving dependents. This coverage is available for employees who satisfy the requirements for retirement under the California Public Employees' Retirement System (PERS), which is age 50 or older with at least five years of State or public agency service. The healthcare coverage provided by PERS meets the definition of an Other Post Employment Benefit (OPEB) as described in GASB Statement 45.

Dental benefits are provided through Met Life and medical plan benefits are provided through PERS, as permitted by the Public Employees' Medical and Hospital and Care Act (PEMHCA). As a PEMHCA employer, the Student Union has selected the equal contribution method, where it is obligated to contribute the same amount for retirees as contributed toward active employees' medical plan coverage.

#### Funding Policy

The contribution requirements of the Student Union are established and may be amended by the Board of Directors. In fiscal year 2014-2015 the annual required contribution determination method changed from pay-as-you-go basis to prefunding policy. The Student Union contributed \$53,386 to the plan during the year ended June 30, 2017.

#### Annual OPEB Cost and Net OPEB Obligation

The Student Union's annual OPEB cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) not to exceed thirty years.

Notes to Financial Statements June 30, 2017

#### Note 8: Other Post-Employment Benefits (continued)

#### Annual OPEB Cost and Net OPEB Obligation, continued

The following table shows the components of the Student Union's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the Student Union's net OPEB obligation:

	June 30, 2017	
Annual required contribution	\$	256,010
Interest on net OPEB obligation		12,641
Adjustment to annual required contribution		(14,763)
Annual OPEB cost (expense)		253,888
Contributions made		(53,386)
Change in net OPEB obligation		200,502
Net OPEB obligation - beginning of year		243,566
Net OPEB obligation - end of year	\$	444,068

The Student Union's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 2017 and the two preceding years were as follows:

	Percentage of					
Fiscal Year	Anı	ual OPEB Annual OPEB	Net OPEB			
Ended	Cost		Cost Contributed	C	Obligation	
6/30/15	\$	130,010	14.2%	\$	276,216	
6/30/16		136,850	123.1%		243,566	
6/30/17		253,888	21.0%		444,068	

### Funded Status and Progress

As of June 30, 2017, the most recent valuation date, the plan was 49.9% funded. The actuarial accrued liability for benefits was \$2,321,000 and the actuarial value of assets was \$1,157,810 resulting in an unfunded actuarial accrued liability (UAAL) of \$1,163,190 and a funded ratio (actuarial value of assets as a percentage of the actuarial accrued liability) of 49.9%. The covered payroll (annual payroll of active employees covered by the plan) for the year ended June 30, 2017 was \$1,441,278 and the ratio of the UAAL to the covered payroll was 80.7%. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Notes to Financial Statements June 30, 2017

### Note 8: Other Post-Employment Benefits (continued)

The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for the benefits.

## **Actuarial Methods and Assumptions**

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial assets, consistent with the long-term perspective of the calculations.

The actuarial cost method used for determining the benefit obligations is the Entry Age Normal Cost Method. The actuarial assumptions included a 7.0% investment rate of return, which is the assumed rate of the expected long-term investment returns on plan assets calculated based on the funded level of the plan at the valuation date, and a 5.19% discount rate. The UAAL is being amortized as a level percentage of projected payroll over 30 years. It is assumed the Student Union's payroll will increase 3.25% per year.

#### Note 9: Self-Insurance

Effective July 1, 2011 the Student Union joined the California State University Risk Management Authority (CSURMA), Auxiliaries Organizations' Risk Management Alliance Unemployment Self Insurance Program (AORMA UIP). AORMA UIP was created to centrally manage workers' compensation, general liability, disability, unemployment insurance coverage and other risk-related programs. Contributions made during the year ended June 30, 2017 totaled \$9,676.

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH **GOVERNMENT AUDITING STANDARDS**

## Independent Auditor's Report

Leena Shanbhag, CPA, MST, CGMA Bradferd A. Welebir, CPA, MBA, CGMA Jay H. Zercher, CPA (Partner Emeritus) Phillip H. Waller, CPA (Partner Emeritus)

Board of Directors of Santos Manuel Student Union of California State University, San Bernardino San Bernardino, California

MANAGERS / STAFF Jenny Liu, CPA, MST Seong-Hyea Lee, CPA, MBA Charles De Simoni, CPA Nathan Statham, CPA, MBA Gardenya Duran, CPA Brianna Schultz, CPA Lisa Dongxue Guo, CPA, MSA We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Santos Manuel Student Union of CSU San Bernardino (Student Union), a nonprofit organization which comprise the statement of net position and the related statements of revenues, expenses and changes in net position and cash flows for the year then ended June 30, 2017, and the related notes to the financial statements, which collectively comprise Student Union's basic financial statements, and have issued our report thereon dated September 18, 2017.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Student Union's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Student Union's internal control. Accordingly, we do not express an opinion on the effectiveness of the Student Union's internal control.

MEMBERS American Institute of Certified Public Accountants

> PCPS The AICPA Alliance for CPA Firms

Governmental Audit Quality Center

California Society of Certified Public Accountants A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Student Union's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
