Dear Students,

I am writing to let you know that the online SOTEs (Student Evaluations of Teaching Effectiveness) for all courses are now available and invite you to complete yours. Your input in the process is very important and allows our faculty to learn what they are doing well and how they can improve their teaching. Please complete your evaluations by **Friday, May 7, 2021**.

You can find the link to the SOTEs dashboard by accessing Blackboard and going to Tools from within any of your courses: Blackboard > any course > Tools (in the left menu) > SOTEs.

We greatly appreciate and value your opinion on teaching effectiveness.

Thank you,

Dr. Shari McMahan  
Provost and Vice President for Academic Affairs
