

## JUST ASK:

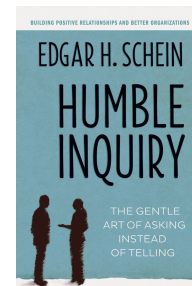

*A deep dive into Humble Inquiry, the gentle art of asking instead of telling.*

### Date, Time, Location

Tuesday, November 24, 2020

12:00pm-1:00pm

Zoom information provided upon registration

### Program Description

"When conversations go wrong ...what could have been done to get better outcomes?" Edgar H. Schein, organizational consultant and author of the book *Humble Inquiry* provides worthwhile insights to consider and encourages his readers to embrace the gentle art of asking instead of telling. Join us in this month's interactive conversation about communication and discover how to:

- **Shift** from a culture of telling others to a culture of asking others
- **Identify** healthy and effective approaches towards communication
- **Apply** humble inquiry approaches to your work environment
