

## Club Allocation Budget Policy

Approved by the ASI Board of Directors

Per BD 31-18 | September 25, 2018

The mission of the Club Allocation Budget (CAB) is to support student organization programming for on-campus events/activities. The guiding philosophy of this policy is that student clubs/organizations actively engage in raising the funds necessary to support the program or activity they wish to put on and that Associated Students, Incorporated (ASI) will augment the balance of the funds necessary to assist the clubs/organizations in order for clubs/organizations to achieve their goal(s). Student clubs/organizations, with the exception of those chartered within one year (see paragraph 1J), must be prepared to provide at least 25% of the financial support for any proposed activity or event. It is important for clubs to note that receiving CAB funds is a privilege and not a right, and that funds will be considered for distribution based on the merit of their proposed activity/event and on a first-come-first-served basis. Funds will be distributed until the annual budget is depleted. The CAB Committee is entrusted with the responsibility for ensuring that CAB funds are allocated wisely and fairly as possible.

### 1. CAB Operating Procedure

- A. The Finance Committee will reconvene to meet as the CAB Committee as necessary to review CAB budget request(s). *Funding Request Forms (FRF), together with the draft event/activity, advertising and/or newsletter must be turned in at least three (3) weeks prior to the date of the event, but not more than one quarter in advance.* Once the student/group/organization has received approval of funding from the CAB Committee, issuance of checks and purchase orders take approximately 3 weeks from the day that all necessary paperwork is completed and turned in.
- B. The ASI Vice President of Finance will estimate the overall CAB budget at the beginning of the fiscal year at approximately 33 1/3% for the fall, winter and spring quarters to be used as a target for each quarter. The ASI Vice President of Finance will advise the CAB Committee of the balance of the funds at each meeting.
- C. Committee approval must be secured at least three weeks prior to the scheduled event. One exception per academic year per club/organization may be made by the ASI Vice President of Finance.
- D. CAB retains the right to evaluate how organizations use funds for programs. Any organization, or the representative of that organization, which violates the Policy and Procedures may be subjected to penalties up to and including a moratorium on any request through CAB for a period of not more than one year.
- E. Two student representatives of all organizations receiving funds through CAB are required to attend a mandatory workshop each academic year explaining CAB procedures and prior to submitting a request. Clubs will be ineligible for CAB funding until this requirement is met. Organizations submitting CAB FRF must read this policy completely prior to filing a (FRF).

- F. Organizations may appeal CAB Committee decisions through the ASI Board of Directors (ASI BoD).
- G. Members serving on the CAB Committee or any other ASI committee or board, may not present a proposal for funds or speak on behalf of their organization's proposal. CAB Committee members whose club is presenting a proposal will abstain from voting on their club's proposal.
- H. The Finance Committee and BoD will set aside a set amount of money for reasonable on-campus accommodation for disabled students. ASI will pay the Office of Services for Students with Disabilities (SSD) for services rendered to those students in need upon presentation of an invoice from the SSD office. The ASI funds used to pay SSD will *not* count against the cap per quarter/year for events. It will be up to the club to make the arrangements for accommodation with the SSD office. Clubs will not contract with off-campus agencies/persons to provide accommodation that have not been approved by the SSD office in writing to the ASI VP of Finance. This amount does not need to be reflected on the FRF. These funds are solely for CAB approved events held on campus.
- I. All CAB supported events/activities must be open and publicized to all CSUSB students (with the exception of conference registration fees).
- J. Clubs requesting funds must show a financial investment of at least 25% on the CAB Funding Request Form (FRF) in the event for which they are requesting CAB funding. Clubs will have (3) quarters after the quarter they were originally chartered with the Office of Student Engagement to establish financial stability before meeting this requirement. For example a club/ organization chartered in the fall of 2011 will have winter 2011, spring 2011 and fall 2012 to establish financial stability. After that time clubs/ organizations will not receive 100% of their event/activity funding from CAB. It will be left to the CAB Committee to determine the percentage of funding support that is adequate to meet the provisions of this paragraph.
- K. ASI reserves the right to prohibit an individual from any CAB related process. The Executive Director or designee will inform the individual, the Board of Directors and relevant campus officials of the nature and duration of the prohibition. This decision can be appealed to the ASI Board of Directors.

## **2. Procedure for Submitting Funding Request Forms (FRF)**

- A. The ASI Vice President for Finance will establish and forward deadlines for clubs to submit funding request forms to the Office of Student Engagement (OSE). OSE will then disseminate these dates to the clubs. This deadline shall be no less than five business days prior to the CAB Committee Meeting at which the club/organization would like to present. It is important that the FRF and all required supporting documents be submitted by the deadline date(s). The CAB Committee will not vote on funding approval 72 hours prior to the event.

- B. Recognized student organizations (those having charters with the Office of Student Engagement) must submit a complete, accurate and detailed application for the event or activity to show precisely where the funds will be spent using a FRF. The forms are available on the ASI web site <http://asi.csusb.edu>. **Forms must be typed, and filled out completely.** Any student organization that knowingly misrepresents information on their FRF will have their CAB privileges suspended for a period of one year. The commencement of such a suspension to be determined by the CAB Committee.
- C. ***The FRF must be submitted at least three (3) weeks prior or five (5) weeks prior if requesting funding for artist, , or any other service provider to the event, unless the event will be occurring in the first three (3) weeks of the school year.***
- D. FRF's and all required paperwork are to be submitted no less than five business days prior to the CAB Committee Meeting at which the club/organization would like to present. (Ex. If you want your item to be placed on the meeting on Tuesday May 29, 20XX all documents are due Tuesday May 22, 20XX.) Forms submitted later than 12:00 pm on that day will be held over to the following CAB Committee meeting. Submitting incomplete forms will result in the item not being placed on the agenda. Please note that meeting days and times are subject to change, please check with the ASI office in SMSU Room-108 for current information.
- E. Failure to submit a draft advertising with the funding request form as stated in paragraph 1A will result in the funding request not being placed on the CAB agenda.
- F. In addition to at least (2) members attending a mandatory workshop, organizations submitting CAB funding request forms are expected to read this policy completely prior to filing a FRF.
- G. The information on the FRF must be complete and accurate at the time it is submitted to be placed on the CAB Committee agenda. Failure to have a completed FRF and supporting documentation will cause the item not to be placed on the agenda. The Vice President of Finance is authorized to deny the placement of the item on the agenda until the FRF and its associated documents are completed and submitted.
- H. No funding will be awarded for events to be held in the last 4 weeks of the school year. This provision is necessary so that ASI can meet its accounting year-end closeout obligation with the University.
- I. Reimbursement for club events/activities held during the summer months will be taken from the budget dated July 1<sup>st</sup> of the fiscal year the event/activity is held. The caps for the funds awarded will apply for the quarterly/yearly caps as appropriate.

- g. The ASI Vice President, Finance or in his/her absence the ASI Executive Director may authorize minor changes in advertising should the date, time, or on-campus venue change; however, any fundamental change in the advertising will require the sample material to be submitted to the CAB Committee prior to the expenditure of funds. Sanctions may be imposed for failure to comply with the provisions of this policy.

### 3. Newsletter

Funds approved for a newsletter under paragraph 2a (Advertising) are subject to the following criteria:

### 4. Food/Beverages

- a. Organizations may receive a maximum of \$1,000 per quarter/ \$2,000 per academic year for food/beverages, to be used at an ASI funded organization event. If funding is approved for food, the club is responsible for submitting *original* receipts for food/beverage expenditures.

The ten (10) business days advance deadline must be adhered to by organizations contracting through ASI. **Meeting the deadline is the organization's responsibility.** Failure to meet the deadline will cause the ASI Vice President, Finance/ASI Executive Director to cancel the SPA and the funds will revert to CAB. Student organizations will then be liable for all costs which would have been covered by CAB funds had the organization met its obligations under this paragraph. Payment by check will be mailed to the designated speaker on the SPA within a ten (10) business day period following the performance. There will be a cap of \$1,500 per year for honorariums/speaker's fees. The CAB Committee reserves the right to allocate funds based on the anticipated attendance at the event the speaker will be engaged. The CAB Committee may require that the club or organization requesting the funds cosponsor with another club or organization should it determine that the attendance is insufficient to justify the cost.

7. Amounts Requested from ASI

- a. CAB funds may not exceed per organization caps for any one event.

- d. **Funds must be encumbered or spent for the submitted event and will be deducted from the monetary cap of the quarter in which the event took place.** Any unspent funds will revert to the CAB account, unless otherwise specified by the CAB Committee. It is the club's/organization's responsibility to secure and turn in all receipts, invoices, and relevant paperwork in a timely manner. Should the club/organization be able to convincingly demonstrate that a vendor failed to present an invoice in a timely manner, the Vice President of Finance may grant a waiver. Clubs/Organizations need to establish in writing that there has been a good faith attempt to procure the necessary invoices/receipts/paperwork in writing. A signed letter from the vendor or the club's president is an example of the type of required documentation. No invoice submitted outside the fiscal year in which the funds were approved will be paid without the approval of the ASI Board of Directors.
- e. As stated in paragraph 1J above, clubs/organizations requesting funds must show financial investment on the CAB Funding Request Form (FRF) in the event for which they are requesting CAB funding. The ASI Board of Directors affirms its commitment to being good stewards of funds entrusted to ASI and believes that clubs/organizations showing some financial commitment toward an activity/event will have an incentive to ensure the success of the activity/event.
- f. The CAB Committee reserves the right to affix additional stipulations regarding the reception of funds. This includes but is not limited to requiring the dispersal of information to departments and other organizations following conference and presentation of materials in a public setting.

8. Up to \$150 may be used for decorations per quarter. With a cap of \$300 per academic year.

12. ASI will entertain only one request per club for recruitment for the academic year.

#### **4. Funding Limitations**

- A. Funds will be allocated for on-campus programs only with the exception of conferences as noted in Section 3: C: 1 of this policy. The purpose of this provision is to develop student activity on campus and to reduce ASI's liability for off-campus activities. No student club or organization shall assume that because the CAB Committee supported their activity/event in the past that they are entitled to continuing support. Each request will be considered on a case-by-case basis.
- B. ASI will not donate, contribute to, sponsor or financially support any event or activity in which the organization is planning to use any event driven revenue stream to fund the event. The CAB Committee may request proof from the club that reservation monies have been received. ASI will not be liable to financially "rescue" an event or activity after the fact should sales fall short of projected revenues. (See subparagraph 10 above.)
- C. In the event that an activity or event is determined to be "high risk" by the ASI Executive Director acting in his/her capacity as the ASI Risk Manager in consultation with the ASI Attorney, the CSU Risk Management Authority, and the appropriate authorities of the California State University, San Bernardino campus, **and** the proposal is denied, then the student group or organization may appeal the decision of the CAB Committee to the ASI Board of Directors for further deliberation. The decision of the BoD is final. Some examples of high-risk events include but are not limited to martial arts demonstrations, sporting events, pyrotechnical uses and firework shows, concerts, etc.
- D. ASI will not fund any event in which alcohol is served by the requesting club/organization. Any club/organization found to have violated this provision will not be able to request funding from CAB or any other ASI funding source for one (1) calendar year from the date set by the CAB Committee.
- E. Funds allocated for an event/activity must be used exclusively for the activity approved by the CAB Committee. Once the event/activity has taken place, unused funds will revert back into the CAB budget for reallocation during CAB hearings.
- F. Organizations may not use funds designated on their proposal and approved by the CAB Committee for any other expenditure without the approval of the CAB Committee.

- G. The ASI Vice President of Finance will not authorize reimbursement on a receipt for purchases not approved by the ASI CAB Committee.
- H. Funds will not be allocated where the money will be used:
1. For personal benefit of individuals.
  2. To finance political campaigns or candidates.
  3. To violate CSUSB policies, Title 5, Local, State, or Federal Law.
  4. To support university departmental/interdepartmental activities/events which the CAB Committee determines to be a departmental/interdepartmental activity/event and which the club is being asked to support through CAB funding. Should the CAB committee determine that the event/activity is mainly a department event/activity, the committee is authorized to reject the request for funding under paragraph 4N of this policy. In addition, if the CAB committee determines that the club distorted information to qualify the event/activity for funding, the CAB committee is authorized to deny funding for the club for up to one calendar year from the date of the FRF request.
  5. To fund transportation including but not limited to, mileage reimbursement, train, bus, car rental.
  6. To provide lodging, meals or incidentals. (Unless included in conference registration fees and if approved by CABC.)

  12. For advertisements on the 4-Winds Digital Display System
  13. For events to be held in the last four weeks of the academic school year. This provision is necessary so that ASI can meet its accounting year-end closeout obligation with the University.
  14. For club events that are deemed too high a risk for ASI to fund.
  15. To provide for clothing items or any clothing related services.
  16. To fund conference fees for alumni, club affiliates, advisers, or any other non-CSUSB student
- I. CAB will not consider funding for any debts incurred or financial obligations of an organization prior to a CAB hearing. In addition, organizations entering into any agreement, either oral or written, for products or service, with the expectation that CAB funds will be forthcoming are solely responsible for the funding service of that agreement. In short, no organization is authorized to obligate ASI in any matter.
- J. The club/organization shall provide a copy of their operating budget at the request of the CAB Committee.
- K. The CAB Committee may ask any organization to provide a certificate of single event insurance from a reputable insurance company naming the Associated Students, Inc. ; California State University, San Bernardino; The California State University; The Chancellor, California State University; and, the Board of Trustees, California State University as additional insured for those events it deems necessary to ensure that ASI does not bear sole liability for claims resulting from the organization's activities or events.

- L. Events/Activities/Programs funded in whole or in part by CAB funds may not be used to sell items for profit even if the items to be sold are purchased with club funds or another source's funds. As stated in Paragraph 3; subparagraph 10, all clubs and organizations are eligible for two revenue generating event other than charity events per academic year
- M. If the specified event is already being co-sponsored by ASI in any manner, student groups and organizations may not request additional monies through the CAB Committee to further fund the event.
- N. The ASI CAB Committee is authorized to reject any proposal whether or not the proposal meets all the criteria of the policy if in the opinion of its members to approve the request would be poor judgment.
- O. The ASI CAB Committee will not authorize funds for speakers/performers who reside outside of the United States of America. This provision will prevent entanglements with the Internal Revenue Service and the Franchise Tax Board over taxes to be levied from the fees earned by a foreign national whose home country tax laws may differ from those of the U.S. and the State of California.
- P. The CAB Committee may elect to divide the total CAB budget into amounts to be allocated each quarter to ensure that there are sufficient funds available throughout the year. However, the CAB Committee will not authorize funds for club activities/events once the funds in the CAB account are exhausted.
- Q. No item rejected by the CAB Committee for funding may be placed on the Finance Committee/Board of Directors agenda for funding, nor will the club/organization be authorized to approach any other ASI source for funding. The club/organization will not modify the item in any way and attempt to resubmit the item to the CAB Committee, the ASI Finance Committee/Board of Directors or any ASI funding source in order to fund the item.

## 5. Procedure for presenting CAB requests

- A. A student representative of the organization **who is knowledgeable** of the details of the request is **required** to attend and present the club's/organization's request for funding at the CAB meeting at which the club's/organization's request for funds appears on the CAB agenda. If there is a cultural or language barrier (speech or hearing) which is hindering the student from making himself/herself understood, then a faculty/staff member/advisor may assist the student during the presentation phase. The student representative will present the club's/organization's proposal and answer questions directed to him/her from the CAB Committee members. The meeting will not be delayed to give the club/organization's student representative time to arrive. If there is no student representative available when the organization's agenda item is brought to the floor, the agenda item may be moved to the bottom of the agenda at the discretion of the CAB Committee in order to give a student representative time to arrive. Should a student representative arrive after the meeting is over, the CAB Committee will not be called back into session to consider the dropped item. To be reconsidered, the club must follow the procedure in paragraph 5C below. While club/organization advisors are welcome to attend the CAB Committee meetings, they are not authorized to present the club's/organizations funding requests.
- B. Should there be no representative present; the item will be dropped from the CAB Committee Agenda.

- C. If an organization's representative fails to make a presentation on an item on the agenda for the last meeting of an academic quarter, then that item will have to be resubmitted by the organization to the ASI Vice President, Finance for the next regular meeting of the CAB Committee.

## 6. Receiving Funds

- A. Distribution of funds is administered by the ASI office. ASI only distributes funds through the use of *requisitions*, purchase orders will only be generated for clubs/organizations at the Palm Desert Campus. Clubs are required to submit requisitions for purchase orders or checks once funding is approved. Requisitions for purchase orders will only be used for food/beverage orders by clubs/organizations at the Palm Desert Campus and must be accompanied by a quote from the vendor together with a Payee Data Record form/W-9. Requisitions for checks for vendors who will not accept purchase orders must be accompanied by **original receipts or invoices** as well as a Payee Data Record form/W-9. The requisitions and the Payee Data Record form/W-9 may be picked up at the front counter at the ASI office. Other documents may be required to process payment.
- B. ASI does not give money directly to an individual club/organization member. ASI will pay the vendor, club/organization or speaker/performer up to the CAB approved amount. If an individual club member pays for the items approved by the CAB Committee on behalf of the club, then the club/organization will be reimbursed directly. Should the receipts show expenditures which are in excess of those funds approved by the CAB Committee, then the reimbursement will only be for the CAB approved amount. No personal expenses may be included on the receipts. In filling out the ASI Requisition for reimbursement, whomever is to receive the check must fill in the club/organization name or the vendor's/speaker's/performer's name as the vendor and complete a Payee Data Record form.
- C. Absolutely no reimbursement of past expenditures is allowed, as previously stated in CAB Policy and Procedures, under Funding Limitations Section 4 B.
- D. Clubs will have 10 business days from the date of the event/activity for which they were funded to turn in the proper paperwork **with the original receipts** for reimbursement. The VP, Finance shall have the authority to waive the deadline for an individual club **under extraordinary demonstrable circumstances once per academic year**. The VP, Finance may establish a different deadline as necessary to meet operational needs for the clubs at large.
- E. No funding will be awarded for events to be held in the last four weeks of the school year. This provision is necessary so that ASI can meet its Accounting year-end closeout obligation with the University.
- F. To receive reimbursement Clubs/Organizations must complete a Post Event Survey.
- G. Events that are primarily philanthropic in nature will not be counted towards an organization's quarterly or annual funding caps.
- H. It is strongly encouraged that clubs/organizations use a form of payment other than cash.
