## LETTER FROM THE PRESIDENT

---

Dear Graduates,

Welcome to the 2019 California State University, San Bernardino Fall Commencement exercises at Coussoulis Arena. You, our graduates, are the pride of the university community. It is especially meaningful for me, as I know it is for the faculty and staff, to join in celebrating this significant milestone with you, your families and friends.

Congratulations!

Earning a college degree is one of life's most influential events. It is a defining achievement that serves as a source of inspiration and satisfaction, especially if you are among the many here who are the first in your family to graduate from college. You will often look back on this occasion as you advance in your careers, start families, and work toward achieving your goals. Now more than ever a college education is the foundation for success in the global economy.

Your decision to finish your degree will prove beneficial. Consider this statistic: The unemployment rate for individuals with a bachelor's degree or higher is nearly half that of those with only a high school diploma. Beyond higher employment rates, college graduates have greater earning and promotion potential as well as a more nuanced understanding of the world. They are also more likely to be in better health, involved in the community, and engaged in civic affairs – all of which make for a more meaningful life.

Your success is a direct result of hard work, discipline and dedication. Regardless of your backgrounds, each of you made sacrifices to reach this momentous objective. You have proven to possess what it takes to succeed and can take great pride in your accomplishments.

Cal State San Bernardino – your alma mater – will always be here for you. We will support you in your career endeavors, offering guidance and encouragement. We want you to remain an important part of the CSUSB family, so I encourage you to stay connected through our Alumni Association and keep us updated on marriages, births, additional degrees, address changes, career advancement and other important life developments.

Once again, congratulations Fall 2019 graduates. I wish you the very best as you pursue your aspirations and commend you on joining the ranks of educated persons.

A handwritten signature in black ink, appearing to read 'TDM', written in a cursive style.

# COMMENCEMENT SYMBOLISM AND TRADITION

---

## Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

## Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

## The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, professor emeritus of art, 2000.

## ALMA MATER

---

By Loren Filbeck, D.M.A.

*Professor Emeritus of Music*

Beneath the shimm'ring mountains,  
Near sea and desert sand,  
Our Alma Mater stands secure,  
Truth's light held in her hand.  
Her youth and energy we share  
As we reach t'ward wisdom's door,  
Her name we laud and gladly bear,  
With pride our spirits soar.  
San Bernardino, our Alma Mater,  
We sing our praise to thee.  
San Bernardino, as sons and daughters  
We pledge faith and loyalty.
