Thank you, OLLI volunteers!

It takes a village to run an OLLI! In addition to taking fascinating courses and participating in fun events, many of our members and instructors also volunteer. We literally couldn't operate without our volunteers at all levels. Thanks to those who help our OLLI to remain a dynamic and robust learning environment.

Thank you, OLLI donors!

The Osher Lifelong Learning Institute relies on the generous support of members and friends to help build a strong and sustainable OLLI. We are a financially self-supporting program. Though we receive university support in other ways, we do not receive any state funding. Membership fees and endowment interest are our largest sources of revenue, but they don't cover our full operating costs. We rely on the generosity of our members to keep the program thriving and affordable.
