While reviewing this information, please keep the following in mind:

- All graduation rates are based on up to six years of attendance for bachelor’s programs, which equates to 150% of the normal completion time.
- We have elected not to report transfer-out rates because our college’s mission does not include providing substantial preparation for students to enroll in another eligible institution without completing or graduating.

- These charts do not identify the reasons why our students withdrew; therefore, students who withdrew for personal or medical reasons are included.

The following two tables represent graduation rates for our general student body and students who received athletic financial aid.
