LETTER FROM THE CHANCELLOR

Dear Class of 2021:

In this most extraordinary year, I offer my deep admiration, gratitude and sincere congratulations to a most extraordinary class of graduates.

As numerous forces upended our world, you held your dreams steadily in sight and persisted in your studies through challenges none of us could have imagined. Unlike any other CSU graduating class past or future, you have by necessity developed and demonstrated skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. While so much and so many have been lost, your resolve has shone as a symbol of hope and optimism – and you should be proud.

On behalf of the entire California State University community, I am certainly proud to present you to the world as our newest class of CSU alumni, joining an impressive international network now nearly 4 million strong. Together, you will power the recovery of our state and nation, educate our next generation, fight for social justice, and create new and sustainable opportunities for health, security and prosperity for us all. I encourage you to stay connected to your campus and your peers, to look for opportunities to give back, and to support the future generations who will follow in your footsteps.

And as our many months of physical separation begin to come to a close, I hope you will hold in your hearts all of those who have supported you from afar. The faculty who broadened and deepened your understanding of the world. The counselors, advisors, librarians, tutors, coaches, facilities and support staff who created a nurturing environment of care and growth. Your family and friends, whose belief in you never wavered.

All of these people have been forever impressed by your spirit, determination and accomplishments. Please count me among them – and I know you will continue to make us proud.

Again, congratulations to the class of 2021!

Sincerely,

A handwritten signature in black ink that reads "Joseph I. Castro". The signature is written in a cursive, flowing style.

Joseph I. Castro
Chancellor

LETTER FROM THE PRESIDENT

Dear Graduates:

Congratulations!

Welcome to the 2021 California State University, San Bernardino Commencement. You, our graduates, are the pride of the university community. We are proud to convene this virtual commencement celebrating your significant milestone with you, your families and friends.

Earning a college degree is one of life's most influential events. It is a defining achievement that serves as a source of inspiration and satisfaction, especially if you are the first in your family to graduate from college. You will often look back on this occasion as you advance in your careers, start families, and work toward achieving your goals. Now more than ever a college education is the foundation for success in the global economy.

Your decision to finish your degree will prove beneficial. Consider this statistic: The median pay for individuals with a bachelor's degree is 74.5% higher than for those with just a high school degree. College graduates also have greater earning and promotion potential as well as a more nuanced understanding of the world. They are also more likely to be in better health, active within in the community, and engaged in civic affairs – all of which make for a more meaningful life.

Your success is a direct result of hard work, discipline and dedication. Regardless of your backgrounds, each of you made sacrifices to reach this landmark objective. You have proven to possess what it takes to succeed and can take great pride in your accomplishments.

Cal State San Bernardino – your alma mater – will always be here for you. We will support you in your career endeavors, offering guidance and encouragement. You are an important part of the CSUSB family, and I encourage you to stay connected through our Alumni Association and keep us updated on marriages, births, additional degrees, address changes, career advancement and other important life developments.

Once again, congratulations to the Class of 2021. I wish you the very best as you pursue your aspirations and commend you on joining the ranks of educated persons.

A handwritten signature in black ink, appearing to read 'TDM', with a stylized flourish above the letters.

Tomás D. Morales
President

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Cum Laude, Magna Cum Laude and Summa Cum Laude

The minimum grade-point averages for recognition are: Summa Cum Laude 3.9, Magna Cum Laude 3.75 and Cum Laude 3.5. Candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the summer/spring quarters for degree purposes.

Legacy Scholars

The University Legacy Scholarship at the Cal State San Bernardino, Palm Desert Campus provides an opportunity for outstanding graduating high school seniors attending high schools in the Coachella Valley to compete for an academic scholarship to attend the CSUSB Palm Desert Campus. The University Legacy Scholarship is up to \$7,000 per year (currently the cost of tuition and standard fees, net of financial aid) for four academic years, leading to a baccalaureate degree
