Early Childhood Trauma Informed Care Certificate

The Early Childhood Trauma Informed Care Certificate (ECTIC) will provide students with a deep understanding of trauma and ACEs and how they impact young children's development. Students will learn how to create safe environments and implement trauma informed care so children feel comfortable to learn, explore, and interact!

Who Will Benefit:

Child Life Specialists | Child Development Specialists | Owners of In-Home Child Care
T-K through 3rd grade educators | Early Childhood Teachers | Childcare Providers
