Convenience is the Key

MS in Accountancy gives students the option to take classes without being on campus. This is convenient for students who have already started their careers and want more flexibility in their schedules. All our online classes meet Quality Matters standards with well-conceived, well-designed, and well-presented courses. Accelerated 6-week courses, taken two at a time, will get you through and done in just 12 months. Flexibility in the schedule allows students to customize the program.

Graduates of the Online MSA Program Work:

In a wide range of employment situations including in public accounting, industry, finance, government, nonprofit organization, and higher education as:

Assurance Associate | Tax Associate | Staff Accountant | Finance Analyst | Corporate Tax Analyst | Finance Reporting Associate
