

A Transformational Investment – CSUSB Endowments

Philanthropic gifts for endowments are critical to ensure a permanent source of support for CSUSB's extraordinary students who are pursuing their educational dreams and striving to achieve their goals for a better future.

Endowments create an enduring legacy for our donors while transforming the lives and futures of many bright, promising students, and the exceptional faculty who teach and mentor them. An investment in CSUSB is an investment in the present and the future. From academics to athletics, faculty support to service learning, program enhancements to student life, endowments provide a consistent source of support that we rely on to enhance the CSUSB experience.

Spending Policy

The payout rate for an endowment fund at CSUSB is up to 4% of the three-year rolling average fair market value ending December 31 of each year.

The endowment payout timeline has been established to protect the principal of the endowment, while making significant impact on the lives of students who benefit from this important support.

1st Calendar Year – The endowment fund is created. Once established, the funds are transferred to CSUSB’s investment consultant, Beacon Pointe.

2nd Calendar Year – Funds continue to generate earnings. The December 31 value of the second calendar year will be used to calculate the following year’s distribution.

3rd Calendar Year – A distribution from the endowment is made available for scholarship and program expenditures.
