

Unit Project: Atlas of San Diego

Compile student work from the unit into an *Atlas of San Diego*, including:

LESSON	ACTIVITY
Lesson 1	<ul style="list-style-type: none"> • Flip Book of <i>Where I Live</i> (Activity 3) • <i>Lesson Structure: Previewing the Organization of a Lesson or Scavenger Hunt</i> (Activity 4) • Sketch of a map of San Diego (Activity 5 - Pre-Assessment)
Lesson 2	<ul style="list-style-type: none"> • <i>Previewing the Organization of a Lesson or Scavenger Hunt</i> (Activity 1). • Geographical Terms and Definitions Match-Up (Activity 2)
Lesson 3	<ul style="list-style-type: none"> • Cartographer’s Notepad with physical feature sketches (Activity 1) • Geographical Features Map of San Diego (Activity 2)
Lesson 4	<ul style="list-style-type: none"> • <i>Map of the Geographical (Physical and Human) Features of San Diego</i> (Activity #3)
Lesson 5	<ul style="list-style-type: none"> • Interview a long-term resident – Changes Over Time (Activity #3) • Compare/Contrast Paragraph (Activity #4)

The *Atlas of San Diego* should also include:

- a title
- a table of contents
- a cover for the atlas that includes the title of the atlas, the author’s name, and a colorful illustration or photograph
- an introduction that includes information about why the atlas is helpful and how to use it properly.
- (Optional) maps and information about different physical features of the San Diego region.

In addition to the above listed activities, include any of the following optional projects completed during the unit. Also, add any of the extended activities completed. (Refer to the Extended Activities section of this unit.)

LESSON	Optional/Extension Activities
Lessons 1-5	<ul style="list-style-type: none"> • Correlated activities from your social studies textbook
Lesson 2	<ul style="list-style-type: none"> • Climate of the San Diego Region – a Daily Weather Log • Landforms of San Diego – Booklet (English Language Learner Extension) • Map an Imaginary Place (Geography Extension Activity)
Lesson 3	<ul style="list-style-type: none"> • Physical Features Postcard (Language Arts Extension) • Description of a Physical Feature – a Written Paragraph (Language Arts Extension) • Relief map. Note: The relief map is awkward to include in the atlas so it may be displayed separately from the atlas.
Lesson 4	<ul style="list-style-type: none"> • Human-Made Features of San Diego – Booklet (English Language Learner Extension)
Lesson 5	<ul style="list-style-type: none"> • Map of <i>Communityville...in the Future</i> (Geography Extension)
