Join us on a fantastic trip to the newly opened Academy Museum of Motion Picture Arts & Sciences in Los Angeles! Constructed by the Academy of Motion Picture Arts & Sciences, it is devoted to the history, science, and cultural impact of the film industry, and is the first large scale museum of its kind in the United States. The museum offers unparalleled exhibitions and programs illuminating the fascinating world of cinema. The exhibits are immersive & dynamic, and explores the art, technology, artists, history, and social impact of cinema through a variety of diverse and engaging voices.

Afterwards, we'll stop for a no-host lunch at the famous Farmer's Market & Grove.
