FAQs

What students are asking

How to Advise Remotely

Accessible

Make sure the student clubs & organizations can get in contact with you!

Think about setting up virtual office hours for them to chat with you about anything they need.

Informed

Stay up to date with what is happening in regards to policies + procedures.

Constant updates are being sent out by all offices! Check out website for more information.

Supportive

Be mindful of student's current situations! They may not be as responsive as you might need them to be.

Give them space + grace to process.

Virtual Programming

Social Media

Make sure that your organization has social media pages

Instagram has been the preferred social media platform!

Zoom Events

Student organizations can continue to host meetings via Zoom!

They can also host events, raffles, movie nights, etc. via Zoom with club members!

Get Creative!

Starting a newsletter to make sure members stay informed!

Using programs such as Netflix Party to increase club morale.
