1. Welcome: Reviewed responsibilities
2. Discussed differences between emergency telework that was performed during COVID and a true telecommuting program.
3. Pulled up CSU Telecommuting Program and reviewed the specific aspects of the program and how those requirements often manifest
4. Discussed first step as identifying those particular positions that might be suitable for telecommuting, identifying positions that cannot be performed remotely, those positions that have tasks that might qualify for a hybrid approach, and those positions that might be fully performed remotely. Will solicit help from MPPs through Vice Presidents.
5. Meeting adjourned at 4:02 p.m.
