BA Computer Systems, System Administration
Flowchart of Coursework

MATH 2210 Calculus I
MATH 2720 Discrete Math
MATH 2265 Statistics

CSE 2130 Machine Organization
CSE 3100 Digital Logic
CSE 3650 System Administration I
CSE 3660 System Administration II

CSE 4600 Operating Systems
CSE 4010 Contemporary Computer Architecture

CSE 2010 Computer Science I
CSE 2020 Computer Science II

CSE 1250 or instructor consent

CSE 4050 Web Application Development
CSE 4500 Platform Computing
CSE 4550 Software Engineering

CSE 5720 Database Systems

Three units chosen from CSE courses numbered 3000 and above.

Pre or co requisite

Ethics Senior Seminar will count towards the GE Writing Intensive Requirement
