

2022

BRESE INFORMATION

SESSION

WORKSHOP

This session will provide information about the Biomedical/Behavioral Research Enrichment (BRESE) Scholars program for 1st and 2nd year faculty.

The program is a 2-year mentored proposal writing program and the session will cover eligibility and benefits of participating in the program.

16 September 2022

12:00 PM - 1:00 PM

Virtual

Presented by:

Dr. Cynthia Crawford
