The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

*If a student has received transfer credit for HSCI 1000, they do not need to take HSCI 1200 lecture but should enroll in HSCI 1200L (lab) in their first semester.

**If a student has received transfer credit for HSCI 2200, they should take HSCI 3200 instead of HSCI 2200 in their first semester.

***If a student has received transfer credit for MATH 1201, they will not need to take HSCI 2203 and should enroll in HSCI 3205 in their first semester.
