Oscar Fonseca is the Career Counselor at CSUSB Palm Desert Campus and works directly with students to explore and connect them to employment opportunities in order to have an educated workforce in the Coachella Valley. He was raised in the City of La Quinta where he graduated from La Quinta High School. He attended College of the Desert, and then transferred to California State University, Fresno where he received his bachelor's degree in Liberal Studies and Master of Science Degree in Student Services with an emphasis in Higher Education. Oscar is passionate about serving his students and families within the Coachella Valley and is a constant advocate for equality. "It is your turn to be successful... You have the keys to opportunity. It is up to you to open that door and take advantage of that potential".
