Supplemental Questions

Question #1 (Required): Name or describe the qualities that make you a great candidate for the committee you are applying for. Include any relevant experience, previous roles, etc.

I am an extremely involved undergraduate student. I was a VP and Pi Kappa Alpha chapter founding father for two years. I am an officer for the National Security Studies club, and for the Political science honor society! I am also a soldier in the army reserves. I'm loving my coursework and care deeply about the political future of the nation, particularly concerning defense spending and national security. My brother is the 5th Ward city councilman, so I've experience with grassroots canvassing, attending mayor forums, city hall meetings, labor union meetings, and more!

Question #2 (Required): Why are you interested in being involved with ASI and what do you hope to get out of this opportunity?

I think this is an exceptional opportunity, and I'm grateful for my classmate Clarixza for promoting it. I'd love

to see and learn more about California's legislative process. I've studied the federal/congressional legislative process in depth, but arguably, state/local politics effect us on a daily level... more so than what occurs in DC!

Are you currently serving in ASI at any capacity (employee, volunteer, committee member, etc.)?
