. Supplemental Question #1 (Required)

Name or describe those qualities that would make you a great candidate to the position you are applying for. Include any relevant experience, previous roles, etc. (Maximum 250 words)

My experience as an undergrad has really shaped my current experience as a graduate student. I realize how much of the "college experience" I missed out on as a first generation college student working to pay for college. This time, I have made it a priority to get involved with student activities and organizations and welcome the chance to share my experiences with others. I work as a student assistant at the Osher Adult Re-entry Center at the Student Union and I am currently a board member for the Latino Business Student Association, a member of the SHRM club at CSUSB, and have recently joined a subcommittee in the President's DEI board.

. Supplemental Question #2 (Required)

How will you be able to balance this position with your other responsibilities (including coursework)? (Maximum 500 words)

As an adult re-entry student, I know the importance of keeping a work/life/school balance and pride myself in how much time I carve to stay involved in CSUSB events. I currently have a 3.625 in my MBA program, work on campus as a student assistant and have a toddler. I have been limiting my class load to two classes per semester and this has worked out for me to balance all the extra curricular activities that I am part of.

. Supplemental Question #3 (Optional)

What do you believe are the most pressing issues students are facing today? (Maximum 500 words)

Specifically, my center is geared towards working with re-entry students and student parents. This population holds a special place in my heart and I feel like it is greatly underrepresented. Covid has turned everyone's lives around and I would love to get involved as we piece together what the new college experience is for all students attending classes in person/virtual.

Please submit your most current resume. Be sure to include any relevant information relating to the position you are applying for. If you are not sure how to create a resume, select the following link from our partners at the CSUSB Career Center for templates: [How to - Resume](#)
