EH&S Safety Training at CSUSB

Maintaining a safe and healthy campus at CSUSB requires training for all levels of students and employees. Whether you are encountering hazards on the job, in the lab, or in the classroom, identifying and completing appropriate training sessions is a vital first step. The CSUSB EH&S department works in collaboration with CaIOSHA and the CSU System to ensure that we are offering the training you need at the time you need it.

If you have questions about Health & Safety training, please contact Melisa Morrow at melisa.morrow@csusb.ed You can also request a training needs assessment by submitting an EHS Service Request form.

Step 3: Go to your Assigned Learning folder

Step 4: Find the "Heat Illness Prevention" curriculum and click the Start button

Step 5: Once you have finished the training, it will appear on your Learning Transcript within your profile
