How can students/alumni schedule appointments to meet with a Career Advisor?

Students can [schedule appointments using Navigate](#), similar to many other campus offices and departments. Alumni can continue to use [Handshake to schedule appointments](#) at no charge.

HANDSHAKE

[Handshake](#) is a platform that connects talented Coyotes with internships, jobs and career opportunities. Students and alumni can search and apply for opportunities, communicate with employers and learn about upcoming career events.

Employers can post open positions and recruit students, schedule on-campus interviews and information sessions, and register for career fairs and other recruiting events.

All CSUSB campus departments are able to create their own "employer" accounts on Handshake. An employer account is needed in order to post any on-campus student employment and federal work study positions.
