Unit Reporting Person recommendation

Name and title: Christina Hassija, Interim Dean

Recommendation:	Active
-----------------	--------

Recommendations and comments including the criteria and data reviewed. Please attach additional page(s) as necessary.

The Center on Aging is an interdisciplinary center which supports research and community-based efforts to improve the well-being of older adults in the Inland Empire region. I appreciate the work of the center director and associated faculty, and commend them on their seed grant, ongoing research, publications and future external grant submissions. This Center should remain active.
