Panelists

[Dr. Hannah Cooper](#) of Emory University holds the Rollins School of Public Health Chair of Substance Use Disorders Research and directs [Spark](#), the Rollins Program on Substance Use Disorders. Her scientific expertise includes studying the social determinants of drug-related harms, with a particular focus on harm reduction and health equity. She has published widely on police brutality as a social determinant of health, and recently co-authored a book on the topic with Dr. Mindy Fullilove, titled [*From Enforcers to Guardians: A Public Health Primer on Ending Police Violence*](#).

[Dr. Pete Kraska](#) is a professor in Eastern Kentucky University's School of Justice Studies with expertise in the areas of police and criminal justice militarization, and criminal justice theory. He has published many books and articles on related subjects, as well as [testifying for the U.S. Senate](#) on police militarization. Recently, Dr. Kraska has been working on the Breonna Taylor legal case, and also developing model legislative policy with [Campaign Zero](#).

Leslie Salas-Hernández, MPH, is a doctoral candidate in Emory University's Rollins School of Public Health. Her research is focused on studying and mitigating the impact of the criminal legal system on health. Her dissertation is centered on police violence and is currently evaluating a training at a large police department.

Series organizers: Dr. Mary Texeira (Sociology), Robie Madrigal (Pfau Library), Dr. Jeremy Murray (History), Stan Futch (President, [WAG](#)), and CSUSB students Marlo Brooks, Zoralynn Oglesby, and Evelyn Jimenez.
