Dear Student,

Thank you for choosing California State University, San Bernardino in your educational plan. Managing your health and non-health compliance documents is very important and essential in making sure that you are provided a clinical assignment throughout the program. When submitting documents, you must submit a copy of each item on the list provided on page three (3) in the order that it is arranged on the checklist. All documents must be submitted with hard copies. These documents must be handed to a Nursing office staff.

All documents submitted to the Department of Nursing become the property of the department and will not be provided to anyone, including the student. This ensure protection of your private information. It is the student's responsibility to retain copies of all documentation submitted. The Department of Nursing will NOT make copies of any documents submitted and will NOT provide in any other way copies of records or any other information submitted and/or required. The department will keep documents in a secured location and access to information will be limited in order to maintain privacy and confidentiality.

It is the <u>student's responsibility</u> to keep all compliance requirements updated, by submitting documentation of renewed documents such as CPR and health insurance to the Department of Nursing prior to any and all expiration dates. Please note that most hospitals require that health documents not expire in the middle of a clinical term but rather it is good for the entire duration of the clinical time. Compliance requirements are all subject to change.

For any questions, please contact the nursing office first at (909-537-5380). For any unresolved concerns please contact the RN-BSN Coordinator, Ms. Dee Wojnar and/or Program Director, Ms. Gagalang.

Program Director Ms. Angie Gagalang via e-mail egagalang@csusb.edu
RN-BSN Coordinator via email dwojnar@csusb.edu
Thank you for your cooperation.

Angie Gagalang, PhD(c), MSN, RN CSUSB Department of Nursing BSN Program Director

Required Compliance Items

- Current state driver's license or state issued identification card
- Valid Social Security Card
- Background Check Read information carefully on attached form.
 - Students at the SB Campus program will use CastleBranch for Background Check and Drug
 Screen.
 - Students completing a clinical rotation at PD Campus will use Hire Right and Forensic drug screen
 - Additional Background and Drug Screen may be required by clinical agency throughout program.
- HIPAA Certification Watch HIPAA video during orientation/clinical class, fill out form and submit to faculty
- Universal Precautions and Blood Borne Pathogens Watch BBP video during orientation/clinical class, fill out form and submit to faculty
- Handbook Acknowledgement Form
- Proof of Transportation
 - Current auto insurance policy <u>or</u>
 - Notarized letter
- Proof of Current Health Insurance Coverage
- Measles, Mumps & Rubella (MMR)* Positive antibody titers for all 3 components (lab report required). If you report an equivocal or negative titer, you MUST receive two doses of MMR, 4-6 weeks apart. No follow up titer is needed. *(see NOTE below)
- Varicella (Chicken Pox)* Positive antibody titer (lab report required) for Varicella. IgG results must be reported. If you report an equivocal or negative titer, you MUST receive two doses of Varicella, 4-6 weeks apart. No follow up titer is needed. *(see NOTE below)
- Hepatitis B* Positive antibody titers for all 3 components (lab report required); OR a signed declination waiver. *(see NOTE below)
- TB Skin Test One of the following is required: a 2 step TB Skin Test (1-3 weeks apart); OR 2 consecutive annual TB Skin Tests (no more than 12 months between tests AND at least one being within the last 12 months); OR TB blood test (QuantiFERON Gold Test or T-spot with lab report). If the results are positive, a clear Chest X-Ray (with lab report) PLUS documentation from your

healthcare provider that you are free of TB symptoms using CSUSB form.

- **Tetanus, Diphtheria & Pertussis (Tdap)**: documentation of a Tdap booster within the past 10 years OR one Tdap at any point and Td booster within the past 10 years.
- Influenza Documentation of a flu shot administered during the current flu season.

CPR Certification

- o Must be the American Heart Association Healthcare Provider course.
- Copy of front & back of signed card received following completion of an American Heart
 Association Healthcare Provider course.

• -Physical Examination

- Present "Essential Duties to Meet Clinical Requirements" to provider prior to physical exam.
- Fill out form provided, and have it signed by your provider.
- CSUSB nursing students are covered by the CSUSB Student Professional Liability Insurance Program while engaged in for-credit internships with CSUSB partners.

*NOTE: This is a multi-step process that requires immediate attention. You must schedule to allow enough time for result and final submission by required deadline.

California State University, San Bernardino
Essential Duties to Meet Clinical Requirements
Physical Exam Health Clearance Form
(Give this to your provider prior to your physical exam)

Dear Healthcare Provider:

To enter into and to complete the nursing program, students must be able to meet the emotional and physical requirements of the Department of Nursing (DON) and the agencies in which students are placed for clinical. If accommodations are required for a student to meet these requirements, the student and faculty are to work with *Services to Students with Disabilities (SSD)* to determine what accommodations would be reasonable in a clinical setting.

Emotional Requirements The student must have sufficient emotional stability to perform under stress produced by both academic study and the necessity of performing nursing care in real patient situations while being observed by instructors and other health care personnel.

Physical Requirements In order to participate in CSUSB DON, students are required to travel to agencies and hospitals, and to homes with unpredictable environments. Students need to have the endurance to adapt to a physically and emotionally demanding program.

The following physical requirements are necessary to participate in the clinical application courses in nursing:

- 1. **Strength:** Sufficient strength to lift, move and transfer most patients; to restrain and carry children; to move and carry equipment; and to perform CPR, which requires sufficient body weight and adequate lung expansion.
- 2. *Mobility:* Sufficient to bend, stoop, get down on the floor; combination of strength, dexterity, mobility and coordination to assist patients; ability to move around physically and adequately in confined spaces (patient rooms, bathrooms, treatment settings, around patient equipment, etc.). Be able to perform all physical skills required to deliver patient care such as CPR, ambulation, transport, reposition, lifting, and other nursing duties.
- 3. *Fine Motor Movements:* Necessary to manipulate syringes and IVs; to assist patients with feeding and hygiene; to write appropriate notations; to document in health record; to perform sterile procedures and other skilled procedures.
- 4. **Speech:** Ability to speak clearly in order to communicate with staff, physicians and patients; need to be understood on the telephone.
- 5. *Vision:* Visualize patients in order to assess and observe their health status; skin tone, color changes, dermatological conditions, non-verbal behaviors, changes in signs and symptoms of illness, health improvement or deterioration, etc.
- 6. *Hearing:* Hear and see patients, monitor signs and symptoms, hear alarms, patient voices, call lights, and assess patient conditions, non-verbal behaviors, changes in signs and symptoms of illness, health improvement or deterioration, hear through the stethoscope to discriminate sounds, and accurately hear on the telephone.
- 7. Touch: Ability to palpate both superficially and deeply and to discriminate tactile sensations.
