Re: Delegation of Authority for Sponsored Programs

Consistent with the authority and responsibility vested in me and pursuant to The Integrated California State University Administrative Manual (ICSUAM), authority administration of California State University, San Bernardino's sponsored programs is delegated as follows:

Authority and responsibility for the submission of grant and contract proposals to federal, state, and local agencies, and some non-governmental organizations on behalf of California State University, San Bernardino, is delegated to the Associate Provost for Research, the Director of Research and Sponsored Programs, and/or their qualified designees.

Authority and responsibility for execution of grants and contracts accepted by the University Enterprises Corporation at CSUSB (UEC) for the benefit of the California State University, San Bernardino and for sub-awards issued for grants and contracts, is delegated to the Associate Provost for Research, the Director of Sponsored Programs Administration (SPA), and/or their qualified designees.

Authority and responsibility for administration of grants and contracts accepted by the UEC is delegated to the Office of Sponsored Programs Administration.

cc: Cynthia Crawford, Interim Associate Provost for Research
John Griffin, Executive Director, University Enterprises Corporation at CSUSB
Paulina Tagle, Sr. Director of Research and Sponsored Programs
Diane Trujillo, Director of Sponsored Programs Administration
