

 CAL STATE SAN BERNARDINO

Early Childhood Trauma Informed Care Certificate

 Scholarships Available!

This certificate provides participants with a deep understanding of trauma and ACEs, and how they impact children's development. Learn how to create safe environments and implement trauma-informed care so children feel comfortable learning, exploring, and interacting!

Who Will Benefit:

Child Life Specialists | Child Development Specialists | Owners of In-Home Child Care
T-K through 3rd grade educators | Early Childhood Teachers | Childcare Providers
