

Part-time Lecturer Pool: Environmental Health Science Program California State University, San Bernardino

Work type: Instructional Faculty (Temporary/Lecturer)

Location: San Bernardino Campus

Categories: Unit 3 - CFA - California Faculty Association, Temporary, Part Time

Please note that appointments for part-time pool are temporary and on an as needed basis. These positions are hired for specific courses that are offered at specific times and may be filled on short notice.

California State University, San Bernardino (CSUSB) is located in San Bernardino in the Inland Empire, 60 miles east of Los Angeles and operates a satellite campus in Palm Desert, Coachella Valley. CSUSB serves approximately 20,000 students, of which 81% are first-generation college students and graduates about 5,000 students annually. As a designated Hispanic Serving Institution, CSUSB reflects the dynamic diversity of the region and has one of the most diverse student populations of any university in the Inland Empire, and the second highest Hispanic enrollment of all public universities in California. CSUSB employs 467 full-time faculty and offers 48 undergraduate, 35 graduate, one doctoral degree programs and 14 academic programs with national accreditation.

At CSUSB, diversity, equity and inclusion are values central to our mission. We recognize that diversity and inclusion in all its forms are necessary for our institutional success. By fully leveraging our diverse experiences, backgrounds and insights, we inspire innovation, challenge the status quo and create better outcomes for our students and community. As part of CSUSB's commitment to hire, develop and retain a diverse faculty, we offer a variety of networking, mentoring and development programs for our junior faculty. We are committed to building and sustaining a CSUSB community that is supportive and inclusive of all individuals. Qualified applicants with experience in ethnically diverse settings and/or who demonstrate a commitment to serving diverse student populations are strongly encouraged to apply. CSUSB has received the Carnegie Community Engagement Classification, which recognizes CSUSB's ongoing commitment to service-learning, a high-impact practice that combines classroom instruction with meaningful volunteer service and correlates strongly to student success.

Job Summary

The Department of Health Science and Human Ecology within the College of Natural Sciences is seeking applications for our pool of part-time lectures for our undergraduate program in Environmental Health Science for the 2024-2026 academic years. Our undergraduate degree is an accredited Program by the National Environmental Health Science & Protection Accreditation Council (EHAC). The Courses for which we may need adjuncts include one or more of the following ones: Principles of Occupational Health, Occupational Safety, Environmental Health Engineering, Environmental Health Management and Solid & Hazardous Waste Management. Appointees need to be eligible to work in the United States, as CSU San Bernardino cannot sponsor for Temporary Faculty.

Minimum Qualifications

- Master's Degree in Environmental Health Science, Environmental Engineering, Occupational Health, or related fields with graduate-level coursework in relevant EHS courses. A PhD degree is preferred for teaching undergraduate courses.
- Demonstrated experience effectively teaching college-level curriculum to diverse student populations.
- Demonstrated proficiency in written and oral use of the English language.
- Demonstrated commitment to diversity, equity, and inclusion.

Salary is based on experience within rank and is set by the [CSU Salary Schedule](#).

Preferred Qualifications

- Possessing the Registered Environmental Health Science (REHS) credential will be a positive addition to the applicant's dossier.
- Specialized experience (e.g., County EHS Inspectors) in related topics of those course(s) is desirable.

Special Conditions

The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

Following a conditional offer of employment, a background check (including a criminal records check) will be completed satisfactorily before any candidate may start working with CSUSB. Failure to satisfactorily complete the background check may result in the withdrawal of the offer of employment.

California State University, San Bernardino is an Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, religion, color, national origin, ancestry, age, sex, gender, gender identity, gender expression, sexual orientation, genetic information, medical condition, disability, marital status, or protected veteran status. This position adheres to CSU policies against Sex Discrimination, Sexual Harassment, and Sexual Violence, including Domestic Violence, Dating Violence, and Stalking. This requires completion of Sexual Violence Prevention Training within 6 months of assuming employment and on a two-year basis thereafter (Executive Order 1096).

For health and well-being, CSUSB is a smoke & tobacco-free campus. The university is committed to promoting a healthy environment for all members of our community.

About the Department

The Department of Health Science & Human Ecology (HSCI) serves over 1,000 students majoring in 4 undergraduate programs (Environmental Health Science, Health Care Management, Nutrition & Food Sciences and Public Health) and 3 graduate programs (Master in Public Health, Master of Science in Health Service Administration and Master of Science in Nutrition and Dietetics), with a total of 13 full-time and over 20 adjunct faculty members.
