Philanthropic gifts for endowments are critical to ensure a permanent source of support for CSUSB’s extraordinary students who are pursuing their educational dreams and striving to achieve their goals for a better future. Endowments create an enduring legacy for our donors while transforming the lives and futures of many bright, promising students and the exceptional faculty who teach and mentor them. An investment in CSUSB is an investment in the present and the future. From academics to athletics, faculty support to service learning, program enhancements to student life, endowments provide a consistent source of support that we rely on to enhance the CSUSB experience.

As we celebrate 50 years of transforming lives, we gratefully pause to thank our family of donors who have made this investment and committed so personally to the mission and vision of CSUSB.
