Please fill in your preference in the time blocks you are available to tutor. Put a "1" for your first choice, a "2" for your second choice and so on. Put only one number for each time block. Note: We will do our best to accommodate your requests. The more flexibility you have, the more hours we are likely to be able to offer you. **Please also indicate your available tutoring format** by adding the letter **P** (in person only), **O** (online only), or **E** (either in person or online is fine) after your preference number. E.g., If you put "1E" in a time block, it means that time block is your first preference and you can do either format in that time block.
