

California State University, San Bernardino
Facilities Post-Pandemic Sub-Committee

Tuesday, March 15, 2022

9:00am – 10:00am

In attendance: Juan Macias, Jennifer Sorenson, Brandon Hernandez, Eric Chan, Alison Wade, John Griffin, Thomas Sekayan, Christina Hassija, Ginny Hatter

1. Welcome
 - a. April 4th, symposium each subcommittee will share what they have been working on
 - b. Subcommittee report requires 2 – 3 pages, discussing what the team is recommending for CSUSB campus
2. Sub-Committee Wrap up and Report Review
 - a. Jenny has gone over past minutes to take out information to create an overview of what the team has discussed
 - b. Jenny is opening the floor to allow one in the sub-committee to report out on April 4th
 - c. Jenny reading proposed report to the committee
 - i. Recommendations:
 1. April 4th will be hearing on other sub-committees opinions or recommendations about technology access
 2. Rules around space were created back in the '70s and need to be readdressed to fit a modern time
 3. Telecommuting one day a week is not relieving the CSUSB space crunch.
 - ii. Committee to review the proposed report and send back to Jenny with any recommendations before April 1st
 - iii. Each committee has 15 min to share their presentation
3. Sub-Committee Symposium Presentation
 - a. Thomas Sekayan and John Griffin will speak out at the symposium
 - b. Slides already created but may update is needed.
 - c. Jenny will send presentation from October 2021 to the team
4. Post-Pandemic Symposium – April 4th 10:00 am-2:00 pm SMSU South
