

FALL 2022 FINAL EXAMINATION SCHEDULE

December 5 – 10, 2022

Each lecture/seminar/discussion class scheduled into a standard time block is assigned an examination day/time. Exams may not be taken before or after the scheduled prior nor may the time of an exam be changed without authorization from the college dean. Permission to take the final exam with a different section of the same course may be granted by the college dean and consent of the instructors. Failure to take/pass a final exam will result in deficiencies at discretion of the instructor.

The final examination for hybrid (CA,CS,HO) and sections meeting outside of standard time blocks must be arranged by the instructor and will take place during December 5-10, 2022. All sections of **MATH 1401, 1402, 1403, and 2210** share a common final exam from 9 am to 11 am on December 10. Verify your final examination date and time with your instructor.
