University leadership met with the review team to discuss our reaffirmation of accreditation report, commendations, and the Lines of Inquiry. Based on the university's WSCUC report and supporting documentation, the review team's preliminary evaluation will be followed-up with the Lines of Inquiry received in a written document. The next step is to submit additional documentation for the Commission's Lines of Inquiry, due July 21, 2021. The Deputy/Vice Provost, who also serves as the university's Accreditation Liaison Officer (ALO), will convene a meeting to plan the Onsite review.
