Create a Position Description in CSU Recruit

This section outlines how to create a Position Description in CSU Recruit. All state-side Staff and MPP recruitments must begin with a CSU Recruit-approved position description.

Creating a position description is the first step in initiating a state-side staff or MPP recruitment.

IMPORTANT NOTE: The Position Description created will be presented to incumbent as is at time of hire, and placed in the personnel folder. Please ensure accuracy.

General Steps:
1. Gather and verify the necessary position information
2. Create a position description in CSU Recruit
3. Submit the position description for approval in CSU Recruit
4. If approved, save a copy of the position description.
5. Select “Recruit for Position” to create the Job Requisition
