c. Estimates of Expenditures:

i. Functions. The budget will contain an itemization of expenditures by eligible function, and will include all eligible functions and programs approved by the SMSU as well as requests for new eligible functions or programs. The SMSU Board of Directors (SMSU BOD) must approve all new functions or programs prior to approving funding to support these new functions or programs.

ii. Categories. The expenditures for each function will be appropriated by category and the amounts included in each category will be supported by line item detail. The categories to be used will be (a) salaries and wages, (b) benefits, (c) operating expenses and (d) equipment.

A system component, regardless of its cost or life expectancy, will not be classified as equipment.

insurance and building/equipment maintenance.
