2020-2021 Outstanding Thesis/Project Award Submissions

CSUSB's Outstanding Thesis/Project Award formally recognizes those students who showed exceptional scholarship and dedication in writing their master's thesis or project.

The deadline for programs to submit their nominations is Thursday, June 17th 2021.

Requirements:

- Nominated by their program (one nominee from each program, either a thesis or a project, but not both)
- Published on Scholarworks between Fall 2020 and Spring 2021. (Students who publish in Summer 2021 are eligible for next year's award.)

Categories:

- (1) Humanities, Education, Business, & Social Sciences
- (2) Math, Computer Science, Biological Sciences, Physical Sciences, and Life Sciences

One student will be awarded in each category.

Awardees who also meet the criteria for the [WAGS/Proquest Award](#) will be considered for nomination to their annual event.

Nomination materials should be assembled in the following order and submitted electronically as one PDF file.

The nomination must include:

- a) A non-technical summary prepared by the student (1,000-1,500 words) describing the research and its significance for a general academic audience of non-specialists. Students should include their name and degree on the first page of the summary.
- b) One letter from either the department head or committee chair. The letter should include the following information: (1) The significance of the thesis/project, (2) The contribution of the thesis/project to the program, and (3) The impact of the thesis/project on the knowledge base of the discipline.
- c) A CV or resume from the student nominee.
- d) Email nominations to gradstud@csusb.edu by June 17th.

A panel of faculty members from various disciplines will evaluate the submissions. Theses and projects will be judged based on four criteria:

1. Originality
2. Significance of the study
3. Overall quality
4. Outcomes and accomplishments

Contact Shelby Reeder at sreeder@csusb.edu for more information.
