This notice is to be provided to any employee or student who receives a gift card, e-gift card, or a gift certificate. Cash equivalent instruments such as gift cards, e-gift cards, or gift certificates are governed by state and federal tax laws.

The value of the gift will be included in the employee's W-2 at year end and included in a payroll period for purposes of income tax withholding and payroll taxes. Individuals who receive \$600 or more in cash equivalent gifts will receive a 1099-MISC at the end of the calendar year. If it is determined that a student has received over \$600 in gift cards or prizes from the CSUSB Philanthropic Foundation, the student will be required to fill out a W-9 form. Understand that, if I am a student of the CSU, that this payment will be reported to Financial Aid or CSUSB Accounts Payable in accordance with Title IV, California Code of Regulations, Section 42500 (d). I also understand that if I am an employee of the CSU, that this payment will be reported to Payroll and is taxable according to state and federal tax rules.

Additionally, I understand that under IRC Section 132 (a)(3), 3121(a), 6041 and 1.132-6 (c) and Technical Advice Memorandum 200437030 requires CSU, to report payments of \$600 or more per calendar year to me in fixed or determinable income to the Internal Revenue Service (IRS) which includes awards.

I understand if I am a Nonresident Alien, the IRS requires that 30% of the value of the gift, gift card/certificate be withheld. However, due to the impracticality of withholding on a gift, gift card/certificate, the Department distributing the gift, gift card/certificate is responsible for the payment of the applicable tax. To ensure accurate reporting and payment of such taxes, departments must contact the Office of Tax Compliance at mmutadza@csusb.edu.
