

Graduate Studies Writing Accountability Groups

The Office of Graduate Studies is connecting graduate students to create small writing accountability groups to encourage their progress on major writing projects, such as theses, projects, and dissertations. Writing accountability groups will allow you to develop a support network and to reach your writing and research goals.

- Two hours per week from Oct. 4th – Dec. 10th (8 weeks of writing!)
- You and your group can decide what day and time works best for you, where to meet, and whether to meet online or in person.
